Work for Oprah Winfrey

It is a wonderful thing to do the "right" work. To make a contribution, to provide a product or service, or to be of use are excellent things, all the more so when you are making lots of money and are recognized and appreciated. There is a direct correlation between work and time. So, as they say, if at first you don't succeed, try, try again. The information that follows will give you an edge on your journey down the road to success.

Midheaven in Libra and Venus in Aquarius:

You are courteous and have a lot of class. You are successful to the degree that you can show mental and social initiative in a tasteful environment. You will be happy in your work if you always use your best judgment. You will not be happy in your work if you don't keep the promises you make and if you try to get by on your charm without applying yourself.

You could work in fields such as biology, diplomacy, economics, fashion, beauty supplies, or hair and skin care. You are also suited for counseling or anything catering to the needs of women.

You have a lot of technical know-how. You have a need for excitement and stimulation and are attracted to anything off-beat or unorthodox.

Because the planet Venus is said to be the "ruler" of your career, a good reading of chapter 5 on Venus is essential to making your professional life run smoother.

Ruler of 10 house in 2nd:

You can make your own kind of success in the financial world. Resources, liquid assets and earnings, values, money, and possessions will all play a key role in your professional success. You will probably work for and earn extra riches and rewards.

Ruler of 2nd house in 7th:

For better or worse, your money-making potential may be correlated to working in a partnership. You do well relating to the public.

The better you become at one-on-one relationships, the higher your income will be. You may work with contracts and legal agreements. Charm and teamwork will pay off for you.

Ruler of 6th house in 2nd:

To earn the necessities of life, you could do something related to the animal kingdom. Or you could find employment helping others to get work. Your own ideal working conditions could

include doing something that very easily flows with your sense of innate values. When it comes to training and task orientation, you could benefit from learning skills in health, nutrition and related fields.

Saturn in 10th house

You can advance to the top through professionalism and expertise, competency, diligence and discipline. You want to get tangible results and readily accept responsibility.

Suitable work may include any position where you are the boss or are in charge. You are also suited to be a professional, authority, or expert. Until you figure it out and get it together, you may well be overworked and underpaid.

Neptune in 10th house

You can also advance to the top through using your creative imagination and following your committed beliefs. You have charisma and are academically minded.

Suitable work may include music, film, art, fashion, metaphysics, or the theater. Please let us know what you find out about the nature of reality.

Mercury Trine MC:

Although it might be easy for you, you may not be challenged enough to deal with the power of numbers and words.

You can also advance to the top by doing a little bit of everything, especially active communications, information retrieval and storage, service and analysis, and technical and craft skills.

Suitable work may include office work, telephone work, library work, cataloguing, travel, transportation, message delivering, or ticket selling.

Jupiter Trine MC:

Although it might be easy for you, you may not be challenged enough to deal with the power of your social skills.

You can also advance to the top by reaching beyond limits and expanding your horizons. You need to go places and learn things. You place importance upon a belief system that fits your unique needs. The good news is that your stars are encouraging you to seek fame and fortune. Better yet, you can make a name for yourself. Best of all, if you put all this together, you will become some kind of optimistic wheeler-dealer.

Suitable work may include acting, politics, entertainment, advertising, broadcasting,

telecommunications, publishing, stocks and commodity, the law or religion.

Uranus Square MC:

It probably isn't easy, yet somehow it may be necessary for you to deal with the power of computers, science and technology.

In your life the unpredictability factor is strong. Not even the world's greatest psychic astrologer would attempt to predict all of the wonderful surprises that await you. You can become free enough to do your own thing. You can also advance to the top through your mental mastery and technical know-how. You need to feed your need for excitement and stimulation and to do the off-beat, unorthodox thing.

Suitable work may include TV, computers, astrology, science, or math.
