Your Daily Forecast begins on the next page. The Forecast is self-explanatory: an astrological forecast for each day is given.

You may notice that to the right of the date is a code, such as "Mer Tri Jup". This code indicates the astrological influence that is in effect on that day and is causing the astrological influence. You can ignore this code; it is printed in case you are interested in the astrological basis of the interpretation.

Most interpretations are short, about one paragraph. But occasionally an interpretation that is several paragraphs long may be printed. These longer interpretations are very strong and may affect your for several days before and after the date on which they occur.

In case you are interested in astrological theory, here is some more information on how your Daily Forecast is produced: First, all of the major astrological influences on a given day are determined, and then the most significant influence is selected and printed. For example, a conjunction will be printed if one occurs, and very often an outer transiting planet influence will be printed because these influences tend to be more powerful. By selecting the more dominant influences of the day, your Daily Forecast focuses on the most powerful influences of each day so that you pay attention to those issues which are most conspicuous and relevant to you each day.

We hope you enjoy your Daily Forecast. Remember that astrology is not fatalistic. Astrological influences are real and they are powerful (we are certain of this, although of course many skeptics disagree), but you have the free will to make the best of what life serves up to you each day. We hope that your Daily Forecast will assist you in making the best possible decisions and will help you feel more confident and clear about how to best deal with the circumstances and situations you encounter.

For the benefit of astrologers, some technical details are given below.

♃ ♎ ♃

Your sense of perspective and proportion is a bit skewed at the moment. Small problems loom large and details and other minor matters consume a lot of attention and focus. You are apt to be mentally restless, scattered, unable to concentrate on the immediate task at hand, absorbed in something related to the past. A somewhat disconcerting, but only too familiar, interaction with a parent, child, or other family member is likely. Be aware that you may be too stuck in your own point of view or self protectiveness to really hear what they are trying to convey.

Wednesday, Sep 2, 2015

♃ ♎ ♃

Mental clarity, discrimination, and your ability to separate fact from fiction is diminished now. Miscommunications and an inability to formulate your ideas coherently are likely. Your mind wanders, and this can be a time of creative reverie or daydreaming. Avoid making binding contracts at this time.

Thursday, Sep 3, 2015

♃ ♎ ♃

Communicating with neighbors, friends, and family is accentuated. This is a good time to establish friendly relations at work also. Gossip and trivial conversation are temptations now.

Friday, Sep 4, 2015

♃ ♎ ♃

A sudden accident, trauma, violent outburst, or fever are possibilities now. If you have been withholding any animosity, not taking what you need for yourself, or been in any sort of ongoing battle with another, the stress is likely to become unbearable. You also tend to force yourself unmercifully now, which will backfire. You might sustain injuries in a competitive situation or "burn out".

Saturday, Sep 5, 2015

♃ ♎ ♃

You may be considering a major overhaul or revision in your ambitions at this time. If you do not have a sense of meaningful purpose or a passionate commitment to anything, you will want to reassess where you are going and why. If you do have a clear goal, you can make significant progress and work with great satisfaction now. An opportunity to do what you really want to do is likely.

Sunday, Sep 6, 2015

♃ ♎ ♃

Conversations, negotiations, meetings, responding to letters and phone calls, and communications of all kinds are important activities now. A significant discussion or exchange of information is likely. This is a good time to get the views of someone you respect.

Monday, Sep 7, 2015

♃ ♎ ♃

You express good will more openly than usual now. You are eager to lend a helping hand and are very generous. More than likely, you will make charitable donations or spend time helping someone who can use your assistance.

You find it very easy to overlook traits in others that irritate you at other times. Your helpful, cheerful attitude hits a harmonious chord with others, and you find that friends and acquaintances reciprocate with help and assistance. This is a time when you are able to effectively communicate because you are able to express positive feelings effectively and empathize with others.

Your increased sense of good will and helpfulness also causes you to feel upset about cruelty, neglect, and indifference on the part of others. You may find yourself becoming very outspoken about human rights issues and the needs of the disadvantaged. You may also become angry or fed up with any family member who fails to demonstrate warmth and consideration for other family members.

Tuesday, Sep 8, 2015

☽ ♃ ☽

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Wednesday, Sep 9, 2015

☽ ♃ ♂

You are contentious, argumentative, and impatient now. Disagreements erupt because you aren't willing to overlook minor irritations as readily as usual. Confrontations with others may be fruitful if you don't allow your anger to get out of control. You are highly competitive at this time.

Thursday, Sep 10, 2015

☽ ♃ ♃

Something which has been lost or hidden may come to light now. Secrets, long-buried feelings and desires, or skeletons in the closet could be revealed. This is also a time when you can easily go to extremes. You become deeply involved in, and even somewhat obsessive about, whatever you are doing. Driving yourself beyond your limits can be destructive now.

☽ ♃ ♃

It may seem that circumstances, other people, or the whole world is against you today! You feel overwhelmed by demands, outside pressures, or your responsibilities and you are looking at your life with serious doubt or pessimism. Others don't seem to help, even if they try to; solitary activity or reflection is called for now.

Friday, Sep 11, 2015

♂ ✖ ♃

Doors open and new opportunities for personal and professional growth present themselves. Any initiative or action you feel inclined to take at this time is likely to lead to a positive outcome for you. Partnerships or joining with others for mutual benefit is favored. Your energy level is high; this is a good time for athletics, especially team sports.

☉ ♋ ✳

You are excitable and restless today and may do something quite unexpected and out of character. Impatience with dreary routine and the desire for freedom and change may spur you to do something you normally consider adolescent or irresponsible. You are very insistent on your own "rights", needs and preferences at this time. An event that disrupts your accustomed schedule could also happen now.

Saturday, Sep 12, 2015

♂ ♀ ♀

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

Sunday, Sep 13, 2015

♂ ♃ As

At this time you are able to be very clear and aboveboard with other people, bringing out your desires and differences between yourself and others in a way that is unlikely to offend or stir up hostility. Because you appear confident, others are inclined to follow your lead now.

Monday, Sep 14, 2015

☉ ♀ ♃

You are optimistic and possibly extravagant now. You are less cautious than usual, feeling that nothing can possibly go wrong. If you are inclined to overindulge, overspend, or go to excesses in any manner, this tendency is exaggerated at this time.

However, you also aim higher than usual and a very promising opportunity or contact can also occur.

Tuesday, Sep 15, 2015

☉ ✳ ♀

Today you feel less competitive and ambitious about practical and mundane matters. The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you. However, the negative possibilities for you now are being undisciplined, slack, indefinite, or wasting time and energy.

☉ ✳ As

This is a time for being with people and especially giving something of yourself and your talents to others. You want to be seen and noticed. You receive appreciation and a positive response and possibly an opportunity or personal contact which will be quite beneficial.

Wednesday, Sep 16, 2015

☽ □ As

You are apt to feel at odds with yourself or other people right now, as if you can't quite get into a comfortable rhythm or flow with what is happening in your environment. Oversensitivity and childish impulses are stronger than usual.

Thursday, Sep 17, 2015

☽ △ ☽

Your rapport and empathy with others is flowing well now. Supportive alliances are formed or strengthened, and family solidarity and kinship ties are emphasized.

Friday, Sep 18, 2015

♀ ♀ ♂

Tensions in an intimate relationship make themselves felt now. You may feel out of sync with your partner, dissatisfied in a way that may be difficult to pinpoint and resolve. Most likely, you are pulled between pleasing your partner and expressing your own desires and needs. Your love rhythms are a bit off. This affects all your relationships but particularly those that are sexual in nature.

In social settings, some awkwardness, inappropriate or excessive affection, or unwanted sexual advances are likely.

Saturday, Sep 19, 2015

♀ ♀ ♃

Disappointment in a friend or lover and/or the realization that you have been neglecting your own needs for socializing, affection, and companionship is indicated. In either case, loneliness and feelings of desolation may arise. Perhaps you are sacrificing pleasure and love for the sake of achievements or to meet responsibilities. However, if you find yourself really unhappy right now, you probably need to reassess the balance in your life between work and play, between emotional needs and practical concerns.

Sunday, Sep 20, 2015

☽ □ ♃

Errors in judgment, due to personal prejudices or emotion, are apt to occur. Your mood very much colors your thinking right now. You can have fruitful discussions with your close friends or family members, however.

Monday, Sep 21, 2015

♀ ♀ ♃

This is a time for getting a little loose and wild with friends, going dancing, or doing something out of the ordinary that is stimulating and fun. You meet interesting new people and are more open to people who are quite different from yourself. An opportunity for a romance may arise which is likely to be exciting, though short-lived.

Tuesday, Sep 22, 2015

☉ Δ ♀

Giving and receiving appreciation, love, and happiness come into your life now. You are moved to express your affections more openly than usual. You also want to be surrounded with beauty and harmonious people, and your artistic efforts flourish.

Wednesday, Sep 23, 2015

♂ π ♀

Ambivalence or disagreeableness in a close relationship arises now. An old friend or lover who is rather disturbing to your peace of mind may contact you, or you may feel uncertain about where you are going in a particular relationship.

You may aggravate or pick at a friend or loved one in the misguided belief that you can change things. At this point, however, it is unlikely that your words or actions will create happiness or the desired outcome. Try to be good natured about any differences that are apparent to you now, and let it pass.

Thursday, Sep 24, 2015

♃ π ♃

Expect last minute changes and adjustments, poor timing, or an annoying glitch in anything involving papers, contracts, appointments and meetings, or previously scheduled engagements.

You may have to reword a proposal or in some other way adjust your thinking or way of communicating in order to come to an agreement. Nervous irritation and/or mental exhaustion could result.

Friday, Sep 25, 2015

☉ π ☉

At this time you may feel out of your element or out of sync with yourself or your surroundings. Interference from others requires adjustment and perhaps sacrifice on your part. What you have to offer or want to do doesn't mesh well with what seems to be necessary. While not a full blown crisis, it is a time of strain and tension, which can be somewhat debilitating to your health. A partial retreat in order not to deplete yourself and your strength is beneficial right now. You may be upstaged by other people or events which occur now.

Saturday, Sep 26, 2015

♀ ✖ ♃

Both friendship and material benefits may well come to you at this time. You feel very sociable and gregarious and seek conviviality, especially with people who really know how to have a good time. Charitable and philanthropic impulses are stronger now, also, and should be followed with positive action on your part.

Sunday, Sep 27, 2015

☉ ♁ Mc

This is a time for withdrawing your energy, attention, and efforts from the outside world and external goals in order to replenish yourself. Quiet reflection and attention to your inner world, your family, and the foundation that supports all of your outside activities is called for. This is a time to "lie low". You may have to work quietly or without much outside recognition at this time.

♁ ♁ ☉

Intense competition or conflict is quite likely at this time. You feel you must fight or stand up for your rights in the face of some person or situation that opposes you. You may actually seek out a battle in order to test your own powers. Beware of acting so abruptly or aggressively that you bring harm to yourself or other people.

Monday, Sep 28, 2015

♀ □ ♀

Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative, however, and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you.

Tuesday, Sep 29, 2015

☉ ♁ ☽

You are likely to feel vexed, vaguely dissatisfied, or out of touch with yourself, as if you don't know what you want but are fairly certain you don't have it. Unusual food cravings, desires and moods which are distracting or at least tangential to what you would prefer to be focused upon, and/or a strong pull toward your past which interferes with your present, all are quite likely now. You have to strike a balance between your emotional needs and yearnings and your daily life.

Wednesday, Sep 30, 2015

♁ ∟ ♀

Mental clarity, discrimination, and your ability to separate fact from fiction is diminished now. Miscommunications and an inability to formulate your ideas coherently are likely. Your mind wanders, and this can be a time of creative reverie or daydreaming. Avoid making binding contracts at this time.

Thursday, Oct 1, 2015

♁ ♁ Mc

Disputes over work, career, professional reputation, and long-range personal goals are indicated. Premature action, showing your cards too soon, or inability to rely on co-workers or suppliers can cause much aggravation. You may somehow threaten your superiors or others who are influential in helping you gain your objectives. Biding your time would be better in the long run, though right now it may rile you.

Friday, Oct 2, 2015

♃ ✖ ♀

A need for support, sympathetic understanding, a sense of security and continuity with the past, and sharing on an intimate, personal level is accented now. You respond to others much more emotionally than you usually would.

Saturday, Oct 3, 2015

♃ ♃ ♀

Your mind is directed inward now. Reflecting on your personal life, and the overall direction you are headed in, is very likely now. Thoughts of the past and the choices you made are also prominent. Making a decision regarding your home or your family life is favored at this time.

Sunday, Oct 4, 2015

♂ ♃ ♃

You feel highly competitive, hot-blooded, and impatient, which can cause friction or furiously emotional confrontations with others. Your spouse, children, or parents seem especially able to rouse your ire at this time. Unresolved feelings and issues from the past are likely to trigger emotional outbursts now.

Monday, Oct 5, 2015

♃ ♃ ♀

Some adjustments in the way you express yourself and treat others are required now. Others may complain that you are not sincere with them, or that you are too domineering or passive or unfair in some respect. You may also find yourself feeling the need to approach others about the way they express themselves and treat others. This is the time to evaluate whether you are guilty of any hypocrisies, insincerities, or laxness in expressing the ideals and beliefs that are important to you. You may find yourself feeling disappointed in others or losing confidence in yourself but do not allow yourself to wallow in self-pity and negative feelings. Instead, try to see clearly where changes are needed and make them. You can find ways to be more sympathetic, understanding, and honest now and break old habits of indifference and negligence to others.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

Tuesday, Oct 6, 2015

♃ ♃ ☉

An incident involving miscommunications, missed messages, or missed meetings which causes a change of plans is likely. Co-workers, secretaries, receptionists, and other people you may normally take for granted, but who keep the flow of your life running smoothly, may be unaccountably inconsistent or simply keep you at bay. You may also get a bit of news that you will wish you hadn't. Try to take these minor annoyances and irritations in stride.

Wednesday, Oct 7, 2015

♀ ♃ ♀

Differences in styles, personal tastes, aesthetic appreciation, or values is an issue in your life at this time. You may feel unloved or not valued due to differences in the way you and a significant other express affection. In social situations, you may well feel out of place, awkward, and ill at ease; perhaps you run into an old lover or are in a social setting which is distinctly different from the one you are familiar with. You are apt to be conciliatory and gracious about making adjustments and concessions, but you feel rather uncomfortable internally.

Thursday, Oct 8, 2015

♃ * ♃

You'll want to be with people now - entertaining or enjoying some light entertainment. Personal relationships, particularly with females, are favored.

Friday, Oct 9, 2015

♃ □ ☉

Frustrations, trials, and difficult, critical decisions are key issues at this time. Others are not receptive to your ideas and they do not express interest in your work. This is a time to increase efficiency and hold back the reins. If you have a business, for example, you probably want to cut down on advertising and slow down on expansion, or even cut down on production, employees, and expenses. Look for areas of waste and cut down in these areas. You may think that you should be doing something exciting and grandiose to stir up more interest in your services, but such measures are likely to only increase the problem.

Difficulties with employers or other authority figures may arise. For example, a new supervisor or colleague at your place of work may be rigid and authoritarian. Your first reaction may be a feeling of frustration and hopelessness. However, a slight change in attitude and approach can often benefit tremendously. By trying to keep a sense of humor and a hopeful attitude, you may find that you get along reasonably well with this person despite his/her personality and rigid policies. Also, some hard-nosed, objective reasoning about the situation may reveal some alternatives that you have overlooked. Perhaps you can transfer to a different department or assume different responsibilities that allow you to interact with this difficult person less often, and perhaps even enable you to focus more on the work you really want to do. Many of the obstacles you face now, although perhaps not obvious to you, test you to see what you really want to do with your life, and you need to focus your energies on the kind of work that is most meaningful to you and cut out anything superfluous.

At this time the frustrations can become so great that you may doubt whether the line of work you are in and the things you have been working for are really worth the trouble, and you may feel inadequate to meet the tasks at hand. You must continue to believe in yourself and maintain your commitments to the things that are really important to you. The old and useless things must be discarded. Unfortunately, only you can decide what is really valuable to you. Others will offer advice based on their own priorities and values, which more often than not, are different from yours.

Saturday, Oct 10, 2015

♀ ♃ ☉

You feel quite loving and warm, with a desire to give and receive affection and appreciation. Also, your desire for beauty stimulates your creativity. If you are artistic, your work will be particularly inspired now. Indulging in your desire for beauty or luxury is likely at this time.

Sunday, Oct 11, 2015

☉ ♃ ♀

There are opportunities for deep sharing and powerful, meaningful contacts with others, especially people who share common goals or ideals. An opportunity for a leadership role is also likely.

Monday, Oct 12, 2015

♃ ♀ ☉

An incident involving miscommunications, missed messages, or missed meetings which causes a change of plans is likely. Co-workers, secretaries, receptionists, and other people you may normally take for granted, but who keep the flow of your life running smoothly, may be unaccountably inconsistent or simply keep you at bay. You may also get a bit of news that you will wish you hadn't. Try to take these minor annoyances and irritations in stride.

Tuesday, Oct 13, 2015

♀ ♀ ♃

Self-consciousness, anxiety about public images or reputation, and/or a greater concern for the packaging than the contents are some of the less positive possibilities for you at this time. You are apt to be rather attractive and appealing, particularly at the work place or in your professional role. Be careful not to take advantage of this for it could backfire. On a more pleasant note, an inviting atmosphere at work and appreciation for work well done is indicated. You could make some new contacts too, which would be good, except for the caution cited above.

Wednesday, Oct 14, 2015

♃ ♃ ♀

You are talkative, optimistic, and philosophical during this period. You see things from a broader perspective, and you come into contact with people that you learn a great deal from. This is an excellent time for traveling, attending seminars, and exploring cultural and business functions that you usually overlook.

This is also an excellent time for public speaking and advertising. Your ideas come across well, and others respond enthusiastically. Business contracts or agreements, especially ones involving large-scale distribution or communications, are also successful.

There are some caveats however. Enthusiasm and optimism are high but you are also inclined to be a little unrealistic. Underestimating the time and effort required to implement one's plans is a common mistake under this astrological influence.

☉ △ ♃

This is a good time for relaxing recreation, a time to refresh and rejuvenate yourself and do the things you most enjoy doing. Good humor and optimism prevail now, and you are able to get a larger perspective on your life. This is also a good time to approach someone who is in a position to benefit you spiritually, intellectually, or materially.

Thursday, Oct 15, 2015

♃ ♀ Mc

Your mind is directed inward now. Reflecting on your personal life, and the overall direction you are headed in, is very likely now. Thoughts of the past and the choices you made are also prominent. Making a decision regarding your home or your family life is favored at this time.

♀ ♀ ♃

Your feelings, friends, and female relatives figure prominently in your life now. You realize how much you appreciate and need their love and support, and you are particularly affectionate now. You may also initiate a relationship in which you take care of, support, and "baby" someone else.

Friday, Oct 16, 2015

☉ □ As

You may feel out of step with the people in your immediate environment now, not in harmony with the intentions and desires of those you work or live with.

Relationships, especially professional ones, can be tense, especially if you attempt to work your own will. This is not a time to force issues.

Saturday, Oct 17, 2015

♂ ♀ ♃

You are inclined to jump to conclusions at this time and to rashly say and do things which you may regret later. You may suddenly decide to act on some idea or plan you have been considering, which can be good as long as you don't move so abruptly and quickly that you override other people's say in the matter. At this time, too, you are quite sharp and possibly sarcastic, which can create unnecessary hard feelings or opposition to your plans.

Sunday, Oct 18, 2015

♃ ∟ ♀

Mental clarity, discrimination, and your ability to separate fact from fiction is diminished now. Miscommunications and an inability to formulate your ideas coherently are likely. Your mind wanders, and this can be a time of creative reverie or daydreaming. Avoid making binding contracts at this time.

Monday, Oct 19, 2015

♃ □ Mc

What you feel like doing and your duties versus what you "should" be doing are likely to clash right now. Emotional impulses are very strong, and you are likely to behave in a childlike manner at this time.

Tuesday, Oct 20, 2015

☽ ∠ ☉

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Wednesday, Oct 21, 2015

☽ ♃ ☉

Social relationships, friendships, and supportive alliances are strengthened now. Your energy and confidence are high and you can accomplish much in a harmonious, flowing manner right now.

Thursday, Oct 22, 2015

♂ ♃ ♂

A furious battle of wills is quite possible, for you are fired up, impatient, aggressive, and inclined to put your own interests and desires ahead of anything else. You may also have to stand up for your rights against some fierce competitor. Also, you can't sit still right now and hasty, abrupt, impulsive action may result in accidents.

☉ □ ♀

Your desire for love and affection, as well as beauty and pleasure, is strong now and you act on feelings and creative impulses more readily than usual. If you are not happy with some aspect of your personal life, these issues arise at this time and there may be disagreements or tension in a close relationship.

Friday, Oct 23, 2015

♂ ♃ ♀

At this time you can become obsessed about getting rid of something, and you could undertake major revisions and changes -a complete overhaul in some area of your life. You are forceful and can drive yourself too hard and overtax your physical and emotional reserves. Though you may have the best of intentions, you tend to act very compulsively, working furiously toward some goal which you may not even be completely aware of. Your secret need for power or control emerges now, and power struggles are very possible.

♂ ♃ ♃

A sense of failure, self-doubt, or inability to effectively compete and assert your own will may typify this time period. Stifled anger and resentment over the frustrations and obstacles you confront now may further complicate matters. This is not a good time to begin a new venture, ask for a promotion, or try to expand your activities in any way. Patience and perseverance are required of you now. Be willing to wait. Your problems and inadequacies seem more real and insurmountable than they actually are, so try not to become too discouraged.

♀ ♃ ♃

You are more clear and objective about personal matters and your relationships, so this is a favorable time to iron out differences or come to a decision. Communicating openly with loved ones, taking a trip to visit friends, or going on an outing accompanied by one you love figures prominently now.

Saturday, Oct 24, 2015

♂ ♄ ♃

You are headstrong and rash at this time. Wild and daring physical activities, or just plain recklessness and impatience, can put you into dangerous situations. Your drive for freedom, independence, and absolute authority over your own life is quite strong. You tend to be very abrupt and inconsiderate of others. It's best for you not to try to cooperate or slow down your pace to suit other people too much. You need to follow your own rhythm. You are likely to actually act on some of the more unusual or "crazy" impulses you feel from time to time: you crave excitement.

Sunday, Oct 25, 2015

☉ △ ☉

Confidence and inner harmony prevail. You can move forward with creative projects and express yourself more easily and comfortably now. Your efforts are well received at this time.

Monday, Oct 26, 2015

♃ ♃ ♃

You will want a break from the predictability of your usual routine and methods. You're in the mood to experiment and to learn something new. Offbeat or original ideas excite you and you will seek people who can offer you a different way of looking at things. Discovery, inventiveness, and spontaneity are major themes now.

Tuesday, Oct 27, 2015

♀ ♃ ♂

Relationships with the opposite sex are intensified now. You experience strong feelings of attraction and desire and, if you are unhappy in your sexual life, you can be very tense and angry "for no reason" now. You may be tempted to act on an infatuation.

♀ ♄ ♃

Deep emotions, both positive and negative, are stirred up within you, and you become more intense and demanding of the people you are closest to. Fears, insecurities, jealousies, and hidden resentments may surface, as well as a very strong need to be loved and to love. There is a compelling, urgent quality to the feelings you experience now, and you may develop a powerful attraction to someone who fascinates and mystifies you. This is a good time to reveal your deepest feelings, fears, needs, and yearnings with the ones you love.

♀ ♃ ♃

Conflicts between duty and pleasure, or between sober practicality and a yearning for love and emotional satisfaction, are likely now. This can be a very frustrating time, and you are likely to feel quite alone, emotionally aloof, or withdrawn.

A relationship may end or a temporary break may be made. This is a time to relinquish something or someone you once cherished but which no longer has a positive purpose in your life.

Wednesday, Oct 28, 2015

♃ Δ ♃

This is a good time to travel, especially to places you've never experienced before, where you will be exposed to new ideas and different ways of looking at the world. Studying new concepts is also favored; your ability to understand abstract ideas and your desire to grow intellectually is strong now. Anything that broadens your world appeals to you at this time. You are interested in the big picture and have less attention and interest in details.

♀ ♃ ♃

You are craving emotional excitement, stimulation, and something new and alive. This is a time for music, dancing, and being joyfully spontaneous. Your social inhibitions are loosened, and you may be tempted to have a wild flirtation or to act in a rather reckless way in a relationship.

♃ □ As

You will be alert and on your toes now. The pace is likely to be fast, even hectic. You are restless and eager to meet others halfway, to converse, exchange information, and make connections. Nervousness or irritability due to aggravations and the stress of increased demands at work is possible.

Thursday, Oct 29, 2015

♂ □ ♃

You are highly ambitious, full of optimism and enthusiasm for new enterprises and plans. In fact, you may be foolishly overconfident and take on more challenges than you can really meet. You are inclined to take physical risks, gamble, speculate, and to act on faith and belief in yourself. This can, in fact, be a very productive time for you if you can keep your expectations within reasonable bounds. Beware of overexerting yourself.

☉ Δ ☽

At this time you enjoy emotional satisfaction and harmony in your home life. Relationships with women run smoothly. If you have a solid emotional base in your life, you will receive the benefits of that. If not, this is a good time to begin making connections with people and also to discover what gives real emotional nourishment and fulfillment.

♃ Δ Mc

Solid and steady progress in achieving career goals is highlighted now. If you are not happy with the kind of work you do, then investigate the possibilities of a change in your assigned duties at this time. If you are happy with the kind of work you do and you perform your job well, it is very likely that you will receive a promotion now.

Do not seek out opportunities that require skills that you do not possess because this astrological influence does not bring completely unexpected benefits. The progress you make now is based on the

skills and talents that you have developed.

You are very clear about what your career goals are at this time. You are able to make wise, practical decisions that bring you up a step in your pursuits. It is unlikely that you will make radical changes in your career at this time; you will build upon whatever progress you have made in the past and take an important step forward.

People of stature and importance assist you now in achieving your career goals. You may receive recognition or a promotion that cements your job position and offers increased stability and job security.

If improvements in your career do not seem to be very significant but you feel strongly that there are changes you can make that will significantly improve the situation, then act on these thoughts and feelings. Don't sit back and wait if you can see what needs to be done. This astrological influence is helpful but not particularly motivating, and you may fail to take advantage of the opportunities due to inertia.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

♂ * ♀

This is not a period when you feel like pushing your own interests or one in which you are especially energetic. Other people's concerns and needs receive more attention from you now, and you are more motivated to do something which serves others, perhaps a group you are affiliated with. Cooperating with others for some idealistic purpose is very satisfying for you at this time.

Saturday, Oct 31, 2015

♀ □ ♃

This is a time when it is difficult to stay within a budget or on a diet, as your tendency is to splurge on beautiful things and to enjoy yourself as much as possible. You want comfort and ease and have luxurious tastes. Quality is especially important to you right now. Also, you want to share whatever good fortune you have. You need company and happy fellowship. It's a good time for a party, as long as you don't overdo it.

♂ * As

At this time you are able to be very clear and aboveboard with other people, bringing out your desires and differences between yourself and others in a way that is unlikely to offend or stir up hostility. Because you appear confident, others are inclined to follow your lead now.

Sunday, Nov 1, 2015

♀ * ♀

You are receptive to beauty at this time and want to be surrounded with harmony, beauty, and kindness. Also, you feel tender and gentle toward others, and you want to please or to be of service to them in some way. Some selfless generosity or an effort on behalf of someone in need will make you feel

very happy now.

♃ □ ♀

You are more distressed than usual over any dissonance in your environment or personal relationships, and you are inclined to avoid serious discussions or real disagreements with others. Also, challenging mental work and concentration is difficult for you now.

♀ ✖ As

Light and pleasant interactions characterize this time period. You gain what you want through diplomacy or charm and by enlisting the support of your friends, rather than by being forthright and bold. You are willing to make concessions in order to maintain harmony in your environment.

Monday, Nov 2, 2015

♃ ♁ ♂

A project or interest of yours comes to a critical culmination at this time. If you are employed, there is an excellent possibility of receiving a raise at this time. If you are self-employed, you may win a contract or a new opportunity may open up for you at this time.

This is an excellent time to gain more exposure for your personal work and creativity. Your work can bear fruit now. Contact with a business concern may help you distribute a product or creative work of yours. This may also be a time when you put the finishing touches on a project that you have been working on for some time.

You are enormously creative and energetic at this time. You may come up with a creative solution to achieving your career and personal goals at this time - a way to blend several of your interests in a new way.

This astrological influence is usually, but not necessarily, positive. The negative tendencies include the possibility of power struggles and competition with others who share the same professional goals and aspirations that you have. Another negative tendency is being overconfident and impatient, causing you to gamble on a venture whose rewards are not as great as you anticipated. Also, you may very strongly feel the influences given above but not be able to focus on a clear goal. This is particularly true if you have been unable to focus and dedicate yourself to any specific goals or projects during the last several years.

Tuesday, Nov 3, 2015

♃ △ ☉

You are very clear and perceptive now. It's a good time to make a decision or come to an agreement, negotiate, exchange your views with others, or present your case. If you are in a profession dealing with words, ideas, or communication, this is a very productive time for you. Ideas flow, and you express your thoughts well.

Wednesday, Nov 4, 2015

☿ ♏ ♃

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Thursday, Nov 5, 2015

☿ ♏ ♃

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

Friday, Nov 6, 2015

♃ ♏ ♃

The need for personal recognition and success are key issues during this time period. You feel a deep, irresistible urge to better your situation in life, to be less dependent on others, and to achieve a higher level of prosperity, well-being, and freedom in your life.

Very often this astrological influence manifests as the feeling that now is the appropriate time to advance to a position of greater influence and prestige. You feel that you are as knowledgeable and capable as your boss or supervisor, and it is high time that you started receiving more of the benefits and prestige. Needless to say, power struggles and conflicts with others can consequently arise. In the end, some level of advancement is likely, but be careful to make sure that your desires are not based primarily on greedy, self-satisfying, and self-centered motives.

You are more open about your inner desires and goals now, and you bring forth interests and desires that you have previously kept to yourself. If you have a hobby or strong personal interest in a subject, you bring this interest out in the open now.

☉ ♏ ♃

If you are a writer, teacher or student or are involved in any intellectual work, this is a positive time for you: ideas flow and it is easier than usual to express your thoughts. Also, this is a good time for buying, selling, negotiating, and communications of all kinds.

♃ ♏ ♃

During this time period you feel a lot of tension between your goals, dreams, and aspirations versus your responsibilities. Typically, the struggle is between responsibilities to family members (children, parents, spouse) and career goals and ambitions, although your particular responsibilities and goals may be of a somewhat different nature. This is a problem many people face today, but at this time in your life it becomes critically important to strike the right balance.

Of course, you must try to satisfy both your responsibilities and your aspirations. If you err to one extreme or the other, it is likely that you will make the mistake of restricting yourself unduly. If you are willing to be fully open and honest about the nature of your responsibilities, you can find a creative way to meet these responsibilities while, at the same time, not severely restricting your opportunities for growth and advancement. The solutions are not easy. Difficult adjustments are necessary, and extra effort, dedication, and integrity may be required of you, but the effort is well worth it. Do not let these opportunities completely pass you by because you feel bound to other obligations!

Underlying the changes in your life and the decisions you must make is a change in your values and attitudes towards life. You are now able to see your life from a broader perspective and you seek greater depth and meaningfulness in your life.

Saturday, Nov 7, 2015

♀ Δ ♀

Contentment, emotional well-being, and harmony prevail in your personal relationships. At this time you relax and indulge in your pleasure-loving side. Unless other astrological indications override this influence, you are unlikely to be forceful and try to make things happen, but instead are inclined to flow along with people and situations, attracting what you need and letting the world come to you.

Sunday, Nov 8, 2015

♃ π ♃

Emotionally (and possibly physically as well) you are apt to feel out of sorts, congested, or stuffy. Unbidden emotions or childish behavior surface now also, perhaps as just a passing mood or in response to others. It is a good time to make adjustments or refinements in your home.

Monday, Nov 9, 2015

tedium than usual. This is a good time to tackle mundane chores and practical business.

This is an exciting, wonderfully liberating time for you! You feel youthful, exuberant, creative, adventurous, and genuinely excited and enthusiastic about what you are doing. Fresh ideas and opportunities abound. This is the time to break out of a rut and get involved with lively, creative people and activities.

You are more concerned with doing creative, exciting things than with mundane chores and responsibilities at this time.

There is an excellent chance that you will receive a gift or offer that enables you to have the freedom to live a richer, more fulfilling life. Even if a tangible, concrete gift does not arrive on your doorstep, this is still a time of good fortune for you as you become involved with activities that are enriching and inspiring.

Conversations and sharing plans and ideas with others are very fruitful now. You understand what others are telling you, and you make yourself clearly understood also. This is a favorable time for getting your message across to others via writing, speaking, or advertising.

♂ ♁ ♀

Right now you are more magnetic and sexually attractive, and your love life is likely to be both harmonious and satisfying. You experience a positive flow of warmth and friendliness between yourself and others, and you are stimulated and energized by your casual interactions with others of the opposite sex. Creative and artistic efforts also flourish at this time.

Wednesday, Nov 11, 2015

☉ * ♀

Acting on impulse, changing your usual routine, improvising and using your intuition rather than following a prescribed, logical way of doing things is called for now. The tempo of your life accelerates now. Expect a rather inconstant, unpredictable, but interesting time.

Friday, Nov 13, 2015

♃ * ♃

You are fascinated by the mysterious now. Unsolved or puzzling problems and the hidden or behind the scenes aspects of a situation interest you most, and you delve and probe until you discover the truth. An interest in psychology or other peoples' secrets comes to the fore. You enjoy spy, mystery, and supernatural stories.

♃ Δ ♃

The emphasis is now on long-range financial planning, thinking about future security, and formulating strategies to achieve your ambitions. Your ability to study quietly, to concentrate on complex mental work, and to think deeply about serious matters is much better than usual. This is a good time to organize your affairs and also to seek professional advice about your concerns.

♃ * ♃

You will want a break from the predictability of your usual routine and methods. You're in the mood to experiment and to learn something new. Offbeat or original ideas excite you and you will seek people who can offer you a different way of looking at things. Discovery, inventiveness, and spontaneity are major themes now.

Saturday, Nov 14, 2015

☉ ♂ ♃

You feel more lackadaisical now, less focused on mundane tasks, and possibly less energetic as well. Your imagination and fantasy life is very active and you can dream up some very creative ideas. Negatively, you tend to dissipate your energy or to avoid the real world.

Sunday, Nov 15, 2015

☉ Δ As

You are in harmony with the people in your immediate environment. There is a sense of ease and of flowing with, rather than fighting against or resisting, what is going on around you. Therefore, you have more energy and more fun at this time.

Now is a good time to make a presentation, go for an interview, or meet the public in some way; the response is positive.

♃ * ♃

Your communications with others take on a new level of depth and intensity at this time. Secrets

come out into the open and conversations have a greater sincerity and depth than usual. If there is someone with whom you feel that communication has been too superficial, this is the time to dig further beneath the surface.

You are also able to speak with conviction and persuasiveness now. You are able to rally others around an idea that you feel strongly about, and you may find yourself in a position of spokesperson for a political, social, or religious ideal. Fortunately, you are very effective in this role and a very convincing speaker, but also not inclined to let your impassioned ideas cause you to become dogmatic or too narrow-minded.

This time period is also excellent for any kind of research or in-depth study. You are motivated and interested in probing beneath the surface and learning the underlying causes behind any event or behavior. The nature of your studies depends on your personal interests, but whatever area you pursue, you pursue with intensity. You become fully engrossed in your mental pursuits now.

♃ ♄ ♀

Your thoughts are dreamy, fantastic, and faraway right now. Your imagination and intuition is heightened, which benefits any creative or artistic work you may do. However, your practical reasoning ability and your ability to focus on the here and now are diminished. Your judgment regarding concrete matters is a bit fuzzy at this time, so you may wish to delay making important decisions.

Monday, Nov 16, 2015

♃ Δ As

Communications are excellent now. You come across clearly and present yourself articulately. Public speaking, interviews, and other transactions with the public are favored. Conversations you have at this time go smoothly, and an agreement can be reached.

Tuesday, Nov 17, 2015

♃ □ ♃

Your home life and sense of personal security are threatened or undergo a critical change at this time. A problem with a family member may arise that requires special attention, or some familiar and dear possession may be lost or damaged. Perhaps a good friend moves away or construction of a parking lot on your favorite neighborhood park begins. In some way, something that you are dearly attached to or very accustomed to is now threatened. You need to decide whether it has served its purpose and it is now time to discard it, or whether neglect and lack of care and attention is causing it to die away. Metaphorically speaking, "weak links" are now exposed. People and situations that are not securely bound may crumble or expose their weaknesses at this time.

You may react to problems at this time by feeling sorry for yourself, isolating yourself from others, and becoming emotionally depressed. Solitude and quiet times alone are very good for you now but avoid self-pity and feelings of alienation. Maintain your sense of humor and try to meet your responsibilities and challenges without becoming overly concerned, worried, and anxious about them.

You may try to break an old, bad habit at this time - like overeating, smoking, poor health habits, etc.

You can, in fact, make an important change in your habits at this time. Obviously, any ingrained habit is difficult to break, but now is the time when you can make a major change. You may not be able to sustain the new habits once this astrological influence is over but with determination it is possible.

Wednesday, Nov 18, 2015

♃ ♋ ♃

Communicating with neighbors, friends, and family is accentuated. This is a good time to establish friendly relations at work also. Gossip and trivial conversation are temptations now.

Thursday, Nov 19, 2015

♂ ♌ ♁

This is a low point as far as getting ahead or achieving anything in the world is concerned. For now, your energy needs to go into your personal life, home, and family matters. Stress which has been building up both at work and in your family relationships needs to be released now. Try to work out or find ways to express yourself physically, like working in the yard or playing sports; otherwise, you are prone to becoming pugnacious with the people you are closest to.

Friday, Nov 20, 2015

Sunday, Nov 22, 2015

♂ ♐ ♃

Domestic disputes caused by interference from outside agents are indicated. For example, you may be bringing work home with you and then unconsciously venting your hidden resentments and frustrations on innocent people.

Monday, Nov 23, 2015

Tuesday, Nov 24, 2015

☉ □ ☉

You may feel temporarily blocked now. Resistance and challenges from others or from outside situations suggest that this is not a good time to try to force your will and desires upon the world, as friction is the only likely result. Relations with men can be especially tense.

♃ □ ☽

Emotions, prejudices, or unresolved issues from the past come up in your interactions with others now, and you may not be very objective.

This is a good time to speak up and clear the air of any grievances you have been holding on to for some time.

Personal subjects are the topic of discussion now. Reminiscing, remembering, daydreaming about, and reflecting on the past is likely.

Wednesday, Nov 25, 2015

♀ ♃ ♃

This is a time for getting a little loose and wild with friends, going dancing, or doing something out of the ordinary that is stimulating and fun. You meet interesting new people and are more open to people who are quite different from yourself. An opportunity for a romance may arise which is likely to be exciting, though short-lived.

Thursday, Nov 26, 2015

☉ Δ Mc

Your career, reputation, public standing, or important personal goals gain momentum now. Your superiors or those in a position to support or further your aims are positively disposed toward you at this time. An important victory or success can be achieved.

Friday, Nov 27, 2015

♀ Δ ♃

Emotional well-being and contentment characterize this time period. You feel quite relaxed and carefree, and this would be a splendid time for a vacation. Laziness, self-indulgence, and expecting everything to work out well with no effort on your part are negative possibilities now. You feel very lucky and you are likely to be lax or extravagant with your money. Material benefits are, indeed, likely at this time, but beware of being overly generous or depending too much on Lady Luck.

Saturday, Nov 28, 2015

☉ ☐ ☽

Tension in your home life, conflicts between work demands and personal needs, or unresolved emotional tangles are likely to arise now, necessitating adjustments and compromises on your part.

A side of you which is usually hidden or in the background is likely to emerge now, and this may be positive or negative.

♀ ☐ As

You are a peacemaker now since harmony in your environment seems more important than ever. Loving relationships, giving and receiving affection, and attracting people into your life who are good for you are very likely at this time.

Sunday, Nov 29, 2015

♃ ☐ ♃

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Monday, Nov 30, 2015

♄ ☐ As

Frustrations and obstacles in your relationships with others arise at this time. You feel like others do not really understand you and do not cooperate with you, and that to do anything right, you have to do it yourself. Weak points in your relationships to others reveal themselves, and you find out that others often are not there to help you when you need them most. Those few people that you do feel in rapport with now become even more important to you and become even closer friends.

You are likely to make an important change at this time. Many of your habits may no longer feel appropriate. You may change your manner of dress, hair style, or other aspect of your appearance. You want others to think of you differently, and these changes can be effective in helping you better express your current feelings and interests.

Your personality and attitude towards life undergoes some changes now. If you are experiencing a lot of frustration now, you may assume a negative stance towards life - pessimistic and less enthusiastic, and you may feel that bad luck has befallen you. If this happens, try to realize that the world is not against you, that you are the maker of your own destiny, and be strong enough to make positive changes in your attitudes.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.
