SECTION I: What Ashton Kutcher is Like as a Person

Part 1: How you Approach Life and How You Appear to Others

Gemini Rising:

Sharing and communicating ideas is important to you. You are restless and easily bored, and attracted to interesting people who think about philosophical issues, and perhaps are well-traveled. Your relationships tend to be easy-going and pleasant.

Part 2: The Inner You: Your Real Motivation.

Sun in Aquarius:

You have a great concern for humanity as a whole, and like to be involved with organizations that share your views. Friendship and community is of paramount importance to you. You respect truth, and your ideas can be quite original and eccentric. You enjoy stirring things up, and are tireless in promoting causes you think are important. You can be uncompromising about things you believe in.

Sun in 9th:

You obtain satisfaction in life and a feeling of achievement by expanding your horizons through learning and travel. Your world view and personal philosophy are important to you. You live by your convictions.

Sun Conjunct Moon

Your feelings tend to be directly translated into action; it's difficult for you to be objective and detached about things. You can be single-minded in your objectives.

Sun Conjunct Venus

You are cheerful and friendly, and people like you. You enjoy life, and know how to have fun. You're enthusiastic in love.

Sun Square Uranus

You dislike routine, and can be erratic and eccentric. You enjoy excitement, and may flaunt convention just to stir things up. You always do exactly what you want to do, and this can create problems in achieving your basic goals.

Sun Sextile Neptune

You are sensitive and gentle with a vivid imagination that may find expression in the arts. You're highly intuitive, and easily tune in to the feelings of others.

Sun Trine Pluto

You have a great deal of will power and endurance. You can force yourself to carry on, even when you're exhausted. You have the capacity to regenerate yourself through radical life changes.

Sun Trine Asc.

You have a strong, confident personality. Your inner character is expressed naturally and easily in your interactions with the world in general, and in your partnerships in particular.

Part 3: Mental Interests and Abilities

Mercury in Aquarius:

Your unemotional thinking enables you to see things as they really are. You cherish the truth, and are not afraid of it. You're an original thinker.

Mercury in 9th:

You like to understand the bases of prevailing philosophies and thinking, and may devote much time to formal education. You're curious about other cultures and may love to travel.

Part 4: Emotions: Moods, Feelings, Romance

Moon in Aquarius:

You are eccentric and independent, and must have freedom of emotional expression. Humanity at large may move you more than any particular individual.

Moon in 9th:

Your religious and philosophical views are colored by your emotions and early learning. Your convictions can be based more on feelings than on reason.

Moon Conjunct Venus

You have an affectionate nature and a strong appreciation for beauty. You may have artistic ability. You like to take care of people and make them feel good. People enjoy your company.

Moon Square Uranus

You have a strong desire for excitement and novel experiences. You seek out the new and different, and don't cling to old habits. Your frequent and unexpected mood changes can throw others off balance.

Moon Sextile Neptune

You are highly impressionable and sensitive to other people and your environment. You have a creative imagination which may find expression artistically.

Moon Trine Pluto

You are emotionally intense and have a great deal of will-power. You're able to let go of habits and feelings from the past when you decide it's important.

Moon Trine Asc.

You're sensitive and responsive to your environment, and express your feelings naturally through your actions and demeanor. Your relationships are made easier because people understand what's motivating you.

Venus in Aquarius:

You are friendly and like people in general, but your personal attachments may be somewhat cool. You dislike jealousy and possessiveness. You are attracted to the unusual.

Venus in 10th:

You get along well with people in authority; your diplomacy and charm can further your career. You are attracted to people with influence and position as romantic partners.

Venus Trine Jupiter

You are outgoing and make friends easily. You're kind and giving towards those close to you. Your relationships are harmonious and happy.

Part 5: Drive and Ambition: How You Achieve Your Goals

Mars in Cancer:

Much of your attention and energy is directed towards your home life. Excessive emotionalism may hamper your ability to act, leading to frustration. You tend to express your anger through moodiness, often directed towards family members. When you don't express your anger openly, it can lead to stomach troubles.

Mars in 2nd:

You're active and competitive in pursuing financial gain. You can be enterprising, and may prefer running your own business to working for someone else. You tend to spend money impulsively.

Part 6: Other Influences

Jupiter in 1st:

You have an outgoing, optimistic, relaxed manner that puts people at ease. Others tend to trust you and give you their cooperation. You may have a tendency to put on weight.

Saturn in 4th:

Your home life can be the source of limitations or hardship. You may have especially heavy family responsibilities. Family circumstances may limit your mobility, or necessitate strict discipline or hard work.

Uranus in 6th:

You're inventive and original in your work, and in your means of accomplishing everyday tasks. You like the freedom to do things your own way, and resist close supervision and routine.

Neptune in 7th:

You have a spiritual orientation towards relationships, and often feel a psychic - almost mystical - connection with those you are close to. You may idealize your partners to the point where you can't see them clearly. Your relationships often contain an element of confusion or deception, and may require self-sacrifice.

Pluto in 5th:

You are passionately intense in love, and may become obsessed with your romantic partners and overly controlling of them. You have a very strong sex drive. Your love affairs can be life-changing experiences for you.

Pluto Trine Asc.

You express yourself with force and intensity, and have a magnetic personality. You're able to control and guide your actions for maximum effectiveness. People see you as dynamic and strong.

SECTION II: What Demi Moore is Like as a Person

Part 1: How you Approach Life and How You Appear to Others

Pisces Rising:

You are sympathetic, adaptable, highly intuitive, and somewhat of a dreamer. You are attracted to people with a more practical bent who don't mind taking care of life's details. They, in turn, are drawn to your ethereal nature. You are easy to get along with and don't mind criticism. You appreciate intelligence in your partners.

Part 2: The Inner You: Your Real Motivation.

Sun in Scorpio:

Your feelings and desires are especially strong, as is your will to keep yourself in check and under control. When you are quiet, you may appear smoldering to others. When you allow yourself expression, you can be intensely passionate and forceful. You tend to be secretive. You would rather remain quiet than tell a half truth. You don't approach anything superficially, and love to ferret out what's behind appearances.

Sun in 8th:

You think deeply about the meaning and purpose of life and your role in the world. You're interested in spiritual matters, and strive to improve yourself through self-knowledge and control of your desires through willpower.

Sun Opposition Moon

You are not entirely at peace with yourself, and suffer from a sense of inner conflict. You may have problems getting along with the opposite sex. It's difficult for you to express who you are.

Sun Conjunct Venus

You are cheerful and friendly, and people like you. You enjoy life, and know how to have fun. You're enthusiastic in love.

Sun Square Mars

You're often frustrated, leading to flashes of temper and over-aggressiveness. You can be argumentative, and people may find you abrasive.

Sun Conjunct Neptune

You have a gentle, spiritual, artistic nature, and are extremely sensitive to impressions from your environment. You're highly intuitive, and easily tune into the feelings of others. You have an active imagination, and may have a tendency to escape into your own world.

Sun Trine Asc.

You have a strong, confident personality. Your inner character is expressed naturally and easily in your interactions with the world in general, and in your partnerships in particular.

Part 3: Mental Interests and Abilities*Mercury in Scorpio:*

Your mind is deeply intuitive and incisive. You like to get to the bottom of things. You can be quite secretive, but when you speak you don't mince words.

Mercury in 8th:

You keep your thoughts and plans to yourself, and can be secretive or even scheming. You love mystery and intrigue, and are skillful at discovering the true causes and hidden influences behind events.

Mercury Square Mars

You tend to be argumentative and contrary. You often jump to conclusions without adequate consideration of all the facts. You can be irritable and tactless in your communications. You may suffer from headaches.

Mercury Conjunct Neptune

You have a vivid imagination, and enjoy spending time alone day dreaming. You may have a talent for writing or the visual arts. You tend to be secretive, and dislike being pinned down. You can be deceptive.

Mercury Sextile Pluto

You have an active, penetrating mind. You like to understand things thoroughly and get to the root of issues. You have good powers of concentration. You express yourself forcefully.

Part 4: Emotions: Moods, Feelings, Romance

Moon in Taurus:

Security and stability are important to you. Your emotional reactions tend to be steady and placid. Your feelings build slowly and don't change quickly.

Moon in 2nd:

Security - both emotional and financial - is especially important to you. You need the stability of material comfort for peace of mind. You can be emotional about money matters.

Moon Opposition Venus

You tend to be too trusting of others, and people can take advantage of you. You often feel unloved in your relationships, and may try too hard to be accepted and liked.

Moon Square Mars

You often take things personally and become easily upset. It's hard for you to go after what you need in a positive, direct manner. You tend to be quick-tempered and over-aggressive.

Moon Sextile Asc.

You're sensitive and responsive to your environment, and express your feelings naturally through your actions and demeanor. Your relationships are made easier because people understand what's motivating you.

Venus in Scorpio:

You love intensely, sometimes obsessively, and there's nothing you wouldn't do for your partner. But if you're spurned, your love can change to hate. You can be very jealous.

Venus in 8th:

Your personal power and influence is enhanced by the graceful way you enforce your will and express your desires. You probably have an active sex life. You enjoy sex, and have no trouble finding partners.

Venus Trine Asc.

Your affectionate nature is expressed naturally and effortlessly in your actions and demeanor, bringing harmony to your life and your relationships. People tend to like you.

Part 5: Drive and Ambition: How You Achieve Your Goals

Mars in Leo:

You approach tasks with energy and creativity, and have much perseverance. Your high spirits and self-confidence inspire confidence in others, making you an effective leader. You are proud, and will become angry if you feel you're not given sufficient respect. You can be obstinate and overbearing. You're a passionate lover.

Mars in 5th:

You are active in your pursuit of pleasure and romance, and like to be the dominant partner in your relationships. You have a strong sex drive. You enjoy competitive games and outdoor sports.

Mars Square Neptune

You are often unaware of what's motivating you, and may feel controlled by your desires. You can be secretive and underhanded in pursuing your goals. Suppressed desires may lead to psychosomatic ailments.

Part 6: Other Influences

Jupiter in 12th:

You're introspective and idealistic. You have deep sympathy for the suffering of others, and may provide behind-the-scenes help and support. Your generosity comes back to you when you are in crisis.

Saturn in 11th:

You may not have a lot of friends, but you are especially loyal towards those you do have. You take friendship seriously, and are drawn towards people who are mature and responsible.

Uranus in 6th:

You're inventive and original in your work, and in your means of accomplishing everyday tasks.

You like the freedom to do things your own way, and resist close supervision and routine.

Neptune in 8th:

You have an uncanny ability to tune into the mysterious and hidden aspects of life, and can use your intuitive knowledge of secret forces to satisfy your desires. You achieve your will through manipulation rather than direct force.

Pluto in 6th:

You're intense and focussed in your work, and tend to drive yourself hard - so hard that your health can suffer. Your desire to change and improve existing methods can bring you into conflict with co-workers, who may find you uncompromising or domineering.

SECTION III: The Relationship from Ashton Kutcher's Point of View

Demi Moore's Sun in Your Sixth House

Ashton Kutcher's Uranus in Your Eighth House

There is something intriguing about Ashton Kutcher, and perhaps a little scary. He encourages you to explore parts of yourself that you usually suppress. He may introduce you to new sexual experiences.

Ashton Kutcher's Neptune in Your Ninth House

Your relationship with Ashton Kutcher may cause you to become confused and unsure about some of your most strongly-held moral values and personal philosophies. He influences you to be less rigid in your views, and to incorporate more idealism and intuitive understanding in your beliefs.

Ashton Kutcher's Pluto in Your Seventh House

Your attraction to Ashton Kutcher is magnetic, almost hypnotic, but your partnership may be plagued by jealousies and power struggles. Your relationship with him can have a lasting effect on you, transforming the way you relate to other people, and may occasion the end of a previous tie.

Your Sun Square Ashton Kutcher's Sun

Ashton Kutcher and you are different in many ways, and the ways in which you are similar tend to annoy each other. Your basic goals and ways of viewing things are often at odds, causing conflict between you and clashes of will.

Your Sun Square Ashton Kutcher's Moon

Ashton Kutcher may find you domineering, and you may find him to be overly sensitive and moody. You have to make a special effort to understand each other and adjust to each other's temperaments.

Your Sun Square Ashton Kutcher's Venus

It's hard for Ashton Kutcher to express affection towards you, and your confidence is diminished by his apparent lack of caring. He may find you dominating or self-centered.

Your Sun Conjunct Ashton Kutcher's Uranus

Your relationship with Ashton Kutcher is exciting and full of surprises. You find him to be an especially interesting person, and you may feel a magnetic attraction to each other. Your appreciation of Ashton Kutcher's individuality makes him feel free to be himself. You may sometimes find him too eccentric or unpredictable.

Your Moon Square Ashton Kutcher's Moon

You have difficulty understanding each other's feelings and emotional responses. You don't respond the same way to things, and your moods are often out of sync. The differences in your emotional

natures might make living together difficult.

Your Moon Square Ashton Kutcher's Venus

If there is a romantic attraction between you, it may be troubled or one-sided. Ashton Kutcher can be unsympathetic towards your feelings, causing you to feel dismissed and unloved. He may regard you as excessively emotional or clingy, and you may see him as shallow.

Your Moon Opposition Ashton Kutcher's Uranus

You often make each other feel nervous and irritable. Ashton Kutcher may find you too security-minded and attached to old habits, while you are rattled by his eccentricity and unpredictability. Despite an initial attraction, your relationship may be volatile and unstable.

Your Venus Square Ashton Kutcher's Venus

Your tastes, manners, and ways of expressing affection are quite different, which can create conflict and misunderstandings between you. You and Ashton Kutcher may not like each other's friends.

Your Venus Conjunct Ashton Kutcher's Uranus

Your attraction to each other was immediate and electric. Your relationship may have started very suddenly or under unusual circumstances. You love Ashton Kutcher's uniqueness and originality, and your affection is exhilarating to him. You draw each other out, and may meet interesting new people together. Your relationship is full of unexpected turns.

Your Mars Square Ashton Kutcher's Uranus

You may have a tendency to goad each other into taking rash or ill-advised actions. Ashton Kutcher wants the freedom to act independently, and resists your attempts to direct events. You would like to call the shots, and see him as eccentric and uncooperative. The two of you may have some fierce arguments.

Your Mars Trine Ashton Kutcher's Neptune

Ashton Kutcher's sensitivity and intuitiveness can influence you to take a less direct and aggressive approach to achieving objectives. You can help him to overcome old psychological hang-ups, and put dreams and fantasies into action. You may enjoy dancing together.

Your Mars Sextile Ashton Kutcher's Pluto

Ashton Kutcher's willpower and determination strengthen your resolve and improve your follow-through. He can have a transforming effect on your style of action, influencing you to be more subtle and less impulsive. Your energetic enthusiasm encourages him to be more direct and open in pursuing goals. Together you can accomplish a great deal and overcome serious obstacles. You may

be very attracted to each other.

Ashton Kutcher has no Major Aspects to your Mercury

Your ideas and style of communicating are very different from Ashton Kutcher's, and there may be frequent misunderstandings between you. Perhaps you can't quite get the rhythm of your conversation right, or your ideas seem especially foreign to him.
