Technical Details of how the planetary patterns are determined: Each interpretation is based on a 3-planet pattern. The 3 planets are forming a midpoint structure where a planet forms one of the following aspects to the midpoint of 2 other planets: conjunct or opposition with 2 degree orb, square with 1 1/2 degree orb, semisquare or sesquiquadrate with a 1 degree orb, or 1/16, 3/16, 5/16, or 7/16 with a 30 minute orb. Also, the 3 planets are aspected to each other in the same harmonic. The harmonics analyzed are 1 through 64 and any doubling of these numbers, such as 120 which is a double of 60, up to 180. The total number of harmonics analyzed is 108. In the harmonic chart all 3 aspects are within a 12 degree orb. Also, any midpoint structure involving a conjunction or opposition aspect within a 1 1/2 degree orb, even if a harmonic triangle is not involved, is interpreted.

Given below is a brief interpretation of your birth chart. The major themes in your life are described. The themes are presented approximately in the order in which they are a priority in your life. In other words, the themes which are most important are, in general, described near the beginning of the report, and the less important themes are described towards the end of the report.

Each astrological influence described in this report is a resource available to you. It is up to you to express these energy patterns in the best possible way. It is possible to repress, block, or try to avoid issues, or to fight yourself; hopefully this report will help clarify issues in your life, and encourage you to master your life rather than be a victim of circumstances.

Venus-Saturn-Pluto 24th Harmonic (24=3x8)

You are likely to feel that loved ones, such as parents, romantic partners, or good friends, for example, have carelessly overlooked what is important to you or have not responded fully to your needs. Partly this is because you seek great depth of feeling and honesty in a relationship. Also, you sometimes feel alienated or distant and prefer to be alone.

Mars-Saturn-Pluto 12th Harmonic (12=3x4)

You are capable of extremely hard work. You can work long hours at tedious tasks and without complaining. If you set your mind on a goal, you can focus single-mindedly on the work and leave no stone unturned. Others may take advantage of your efforts; try to receive reasonable compensation for your contributions.

Sun Conjunct Venus/Neptune 0 deg 02 min

Art is very important to you. You succeed in any area that involves imaginative art and creativity. You are idealistic in love, and this is likely to bring you disappointments, but your idealism and vision can eventually succeed in bringing yourself and others a more beautiful and perfect world.

Saturn Conjunct Sun/Neptune 0 deg 24 min

You have a great love for people who sacrifice for a worthy cause, and you appreciate people who are not ostentatious, glamorous, or pretentious. You seek simple and deep truths. You succeed in areas that bring real assistance, hope, or solutions to difficult problems. If you are unable to find a satisfying set of spiritual or religious principles, you can become very depressed and downtrodden.

Sun Conjunct Mercury/Venus 0 deg 43 min

You succeed in areas that require a good sense of proportion, balance, or a knack for doing things that are both functional and attractive. This is so natural and innate for you, that you may take it for granted, or not consciously recognize how it affects the manner in which you do many ordinary daily activities. Many crafts and skills require your talent for doing things with good taste and aesthetic awareness.

Mercury Conjunct Sun/Uranus 0 deg 32 min

You have quick reflexes, and you learn very quickly. You have the ability to pick things up quickly, invent or discover something, without knowing as many technical details as other people, or without even knowing quite how you got the correct solution to a problem. You are clever and ingenious, but hopefully you also have patience and discipline; otherwise, you might jump impatiently from one idea to the next with little consistency.

Mercury Conjunct Saturn/Neptune 0 deg 53 min

You enjoy abstract thinking. Abstract principles are common in academic studies, whether it be the concept of a point or a line in mathematics, the Chinese philosophy of 5 elements, various psychological theories of theorists such as Freud, Jung, etc., or any number of other ideas. You are well-suited to academic studies.

Saturn Conjunct Sun/Mercury 1 deg 05 min

You are methodical and logical. In elementary school and even in high school, you may sometimes have felt that you are a slow learner, but actually it is only your insistence on gaining a thorough, complete, and logical understanding of a subject that caused any problems. Other people are content with relatively superficial explanations whereas you often seek a level of clarity that even the teacher may not be capable of providing. Your quiet, structured, and disciplined approach to learning can help you excel in many areas as long as you have the self-confidence and patience to allow yourself to master the material.

Uranus Conjunct Sun/Mars 1 deg 18 min

You are dynamic, sometimes impatient, and you often experience bursts of energy. These qualities can make you successful in sports or any area that requires fast reflexes and spontaneity. You are courageous, but be careful to not go to such extremes that you are foolhardy, as this inclines to mishaps and accidents.

Jupiter Opposition Sun/Mars 1 deg 28 min

It is likely that you will become successful in your career and in achieving many of your goals. You have an enterprising nature, and you are confident. You set very high goals and standards so it is unlikely that you will achieve everything you set out to do, but it is also likely that you will achieve many of them. One word of caution: sometimes you take on too much or do not plan carefully enough beforehand.

Jupiter Opposition Mars/Saturn 1 deg 12 min

You are a very good worker. You are enterprising and able to visualize larger goals, and you are also willing to work hard to achieve these goals. You are a good administrator or director of a group effort. Over time you can build a very successful career.

Mars Conjunct Sun/Pluto 1 deg 52 min

When you involve yourself in a project, you can immerse yourself completely and totally in it. You can become obsessed with your work, and work with a sense of mission. Conversely, when placed in a work situation that is not meaningful, you become frustrated, critical, despondent, and angry. It is important for you to latch onto something that is meaningful, and use your great energy to accomplish the work you set out to do.

Neptune Conjunct Sun/Uranus 1 deg 55 min

Your imagination and idealism are unusually strong. It is likely that you believe in various paranormal phenomena that most people are skeptical of. In order for your dreams, visions, and fantasies to develop to their greatest potential, it is best if you avoid drugs, alcohol, and stimulants.

Sun-Neptune-Pluto 72nd Harmonic (72=9x8)

You appreciate art, literature, and music that digs deep into the subconscious or reveals deep yearnings of the soul. You have an aptitude for psychology, art, and spirituality.

Mercury-Venus-Uranus 98th Harmonic (98=7x7x2)

You have fast reflexes and a talent for playing musical instruments. You are clever and have a good sense of humor. You succeed in areas that require spontaneity and the ability to quickly solve problems or come up with creative ideas.
