Your Daily Forecast begins on the next page. The Forecast is self-explanatory: an astrological forecast for each day is given.

You may notice that to the right of the date is a code, such as "Mer Tri Jup". This code indicates the astrological influence that is in effect on that day and is causing the astrological influence. You can ignore this code; it is printed in case you are interested in the astrological basis of the interpretation.

Most interpretations are short, about one paragraph. But occasionally an interpretation that is several paragraphs long may be printed. These longer interpretations are very strong and may affect you for several days before and after the date on which they occur.

In case you are interested in astrological theory, here is some more information on how your Daily Forecast is produced: First, all of the major astrological influences on a given day are determined, and then the most significant influence is selected and printed. For example, a conjunction will be printed if one occurs, and very often an outer transiting planet influence will be printed because these influences tend to be more powerful. By selecting the more dominant influences of the day, your Daily Forecast focuses on the most powerful influences of each day so that you pay attention to those issues which are most conspicuous and relevant to you each day.

We hope you enjoy your Daily Forecast. Remember that astrology is not fatalistic. Astrological influences are real and they are powerful (we are certain of this, although of course many skeptics disagree), but you have the free will to make the best of what life serves up to you each day. We hope that your Daily Forecast will assist you in making the best possible decisions and will help you feel more confident and clear about how to best deal with the circumstances and situations you encounter.

For the benefit of astrologers, some technical details are given below.

☉ ✖ ♂

Your vitality and courage are strong now and you are eager to meet challenges. You can accomplish a great deal of work, especially if it involves physical effort. If you are active in sports, you will be especially competitive and vigorous now. Self-confidence is high.

♃ ✖ ♂

You are eager to discuss your thoughts and plans with others at this time and you may have a very fruitful brainstorming session, a spirited debate, or a very active meeting with others in which things really get accomplished. You are verbally assertive and can present your own plan or idea quite convincingly.

Thursday, Oct 1, 2015

♀ □ ✖

You are impulsively affectionate and flirtatious at this time, and you feel quite restless if you are in a stable, predictable relationship that offers little excitement. You may be highly attracted to someone new, simply because of the novelty and possibilities for adventure. Also, your friends or love partner may behave in unexpected ways. Flexibility and open-mindedness in your relationships is called for now.

Friday, Oct 2, 2015

♃ ∟ ♃

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Saturday, Oct 3, 2015

♃ ♂ ♃

You have a very realistic and no-nonsense attitude at this time and are rather critical, skeptical, or at the very least, cautious about new ideas. Deep, quiet study and solitary reflection is favored. You are more taciturn and uncommunicative than usual and don't feel very social. If you are with others, you are likely to turn the discussions into something heavy and serious. Frivolity holds no appeal for you now.

Sunday, Oct 4, 2015

♃ □ ♃

Duties and obligations seem burdensome or at least emotionally restricting to you, and you may feel self-pity or temporarily down in the dumps. You are not in a sociable, gregarious mood no matter what surroundings you find yourself in.

Monday, Oct 5, 2015

♃ □ ♂

At this time you must guard against being too aggressive, coming on too strong, or trying to force your own will and thereby arousing hostility in others. Also, frustrated desires and obstacles to achieving your aims can evoke enormous anger in you, and you may do something rash and regrettable. Conflicts and confrontations may be unavoidable, but do try to avoid situations which you know will provoke or

irritate you. Working alone is best at this time.

Tuesday, Oct 6, 2015

♀ * ☉

Opportunities for friendship, cooperation, love, and shared happiness arise. The warmth and good will you generate now is likely to be a benefit to you both now and later on. You feel especially friendly and sociable.

Wednesday, Oct 7, 2015

☉ * As

This is a time for being with people and especially giving something of yourself and your talents to others. You want to be seen and noticed. You receive appreciation and a positive response and possibly an opportunity or personal contact which will be quite beneficial.

Thursday, Oct 8, 2015

♃ Δ ♀

Your imagination is activated and you're inclined to feel rather passive & dreamy, or creatively inspired. Music or art moves you very much now.

Friday, Oct 9, 2015

♃ ♃ ♃

This is a calm, balanced, rather quiet time. You keep to yourself pretty much and can get some practical chores accomplished.

Saturday, Oct 10, 2015

♃ * ♃

Communicating with neighbors, friends, and family is accentuated. This is a good time to establish friendly relations at work also. Gossip and trivial conversation are temptations now.

Sunday, Oct 11, 2015

♃ ♃ ♃

Buried or neglected emotions come to the surface. Memories and concerns from the past arise. Interactions with parents, children, or significant others in your life trigger strong emotions now.

Monday, Oct 12, 2015

♃ ∟ ♃

You feel a bit wild or impulsive and may act in an impulsive manner which could embarrass you later. Emotional outbursts are also possible, especially if you've been feeling especially constrained or stressed.

Tuesday, Oct 13, 2015

♀ ♃ ♃

You are feeling sober and realistic about love at this time, and are interested in being with people you respect and can depend upon - your oldest, true-blue friends. Also, reaching out to an older relative or another mature, experienced person can mean a lot to you and be mutually beneficial now.

Wednesday, Oct 14, 2015

☉ ✖ ♀

Today you feel less competitive and ambitious about practical and mundane matters. The world of imagination, fantasy, art, music, or mysticism is very appealing to you now, and if you have talent in any of these areas, this can be a creative and fruitful time for you. However, the negative possibilities for you now are being undisciplined, slack, indefinite, or wasting time and energy.

Thursday, Oct 15, 2015

♃ ♄ ♃

You have a very realistic and no-nonsense attitude at this time and are rather critical, skeptical, or at the very least, cautious about new ideas. Deep, quiet study and solitary reflection is favored. You are more taciturn and uncommunicative than usual and don't feel very social. If you are with others, you are likely to turn the discussions into something heavy and serious. Frivolity holds no appeal for you now.

♃ ☐ As

Someone is likely to offer you a very promising opportunity at this time, or you may have an offer for someone else that you think will be mutually beneficial. The offer seems like a "deal" that can lead to tremendous growth and success, and yet you wonder if it is too good to be true. Because there are risks involved, it is impossible to know whether the offer will work out well, and you consequently are likely to feel uncertain what to do. In truth, there is definitely the potential for opening up new avenues for success and fulfillment, but there is also a tendency to overshoot the mark due to overoptimism and a willingness to gamble and speculate. The best course is usually to proceed with some kind of plan, but to thoroughly investigate all details as much as possible and to avoid wild speculation.

Note that the precise timing of this astrological influence is very dependent on the exact birth time, so the dates given are accurate only if your birth time is very accurate.

☉ ♄ ♀

Something which has been lost or hidden may come to light now. Secrets, long-buried feelings and desires, or skeletons in the closet could be revealed. This is also a time when you can easily go to extremes. You become deeply involved in, and even somewhat obsessive about, whatever you are doing. Driving yourself beyond your limits can be destructive now.

Friday, Oct 16, 2015

♀ ☐ ♂

Tangles in romantic relationships are likely now. Your sexual drive is quite strong, and you may be more concerned with satisfying your own desires than in being sensitive to your partner. All interactions with people of the opposite sex are inclined to be tense right now.

Saturday, Oct 17, 2015

♂ ☐ As

Irritations, conflicts with the people you relate to on a daily basis, and a generalized feeling of impatience or edginess characterize this period. Because you are not feeling very obliging or

compromising, this is not a good time to try to come to an agreement with another. However, you need to get your grievances out in the open; otherwise the tension builds up to an unmanageable level.

Sunday, Oct 18, 2015

♃ ✖ ♂

You are eager to discuss your thoughts and plans with others at this time and you may have a very fruitful brainstorming session, a spirited debate, or a very active meeting with others in which things really get accomplished. You are verbally assertive and can present your own plan or idea quite convincingly.

Monday, Oct 19, 2015

♃ □ ♃

Duties and obligations seem burdensome or at least emotionally restricting to you, and you may feel self-pity or temporarily down in the dumps. You are not in a sociable, gregarious mood no matter what surroundings you find yourself in.

Tuesday, Oct 20, 2015

♃ ∟ ✖

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Wednesday, Oct 21, 2015

☉ ♃ ♃

You are likely to feel vexed, vaguely dissatisfied, or out of touch with yourself, as if you don't know what you want but are fairly certain you don't have it. Unusual food cravings, desires and moods which are distracting or at least tangential to what you would prefer to be focused upon, and/or a strong pull toward your past which interferes with your present, all are quite likely now. You have to strike a balance between your emotional needs and yearnings and your daily life.

Thursday, Oct 22, 2015

☉ ♃ ☉

Today you want to stand out, to be the center of attention, and receive recognition. It is a time to appreciate who you are as a unique individual. This is the beginning of a new year for you, and you feel charged with new energy, vitality, and sense of purpose.

Friday, Oct 23, 2015

♃ ✖ As

This is an excellent time to be out and about. There are significant opportunities to make connections, exchange information, and to learn something through a meeting or chance encounter. Letters, phone calls, and conversations that you initiate are productive at this time.

♀ □ As

You are a peacemaker now since harmony in your environment seems more important than ever. Loving relationships, giving and receiving affection, and attracting people into your life who are good for you are very likely at this time.

Saturday, Oct 24, 2015

♃ ♃ ☉

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Sunday, Oct 25, 2015

♃ ♃ ♃

Your moods, feelings, and instincts rule you and you're apt to act out of emotion or habit rather than reason or conscious choice. You seek the known, comfortable, and familiar, and you're disinclined to confront new people or situations. It may be uncomfortable for you to be away from your home at this time.

Monday, Oct 26, 2015

♂ ♃ ♀

Strong sexual feelings and romantic passions are stimulated now, and the urge to be with your love partner is compelling. If you are not currently in a relationship, you are likely to be bold and to make the first move toward someone you are attracted to. Artistic and creative expression is also favored now.

Tuesday, Oct 27, 2015

♂ ✖ ♃

You have a lot of mental energy and are eager to "attack" intellectual or conceptual problems. You are likely to come up with a clever solution or a very workable plan, especially if you brainstorm with others. You also tend to make up your mind very quickly and decisively now and to translate your ideas into action.

♃ ✖ ♃

Your ability to concentrate on mundane concerns and problems diminishes now. The world of imagination, fantasy, entertainment, or art holds more attraction for you. Go to a movie with a friend (or write your own!). Also, your psychic sensitivity and intuition are heightened at this time. You are more impressionable and open, but somewhat less precise and clear mentally.

Wednesday, Oct 28, 2015

♂ □ ♃

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

♃ ✖ ♃

Conservative, practical steps towards greater security and stability are achieved at this time. This is a good time for making long-term investments, receiving practical training that will provide you with practical, marketable skills. Developments in your business or profession are positive now, and you may receive a new insurance policy, greater job security, or other benefit that ensures a stable, solid foundation for you and your family. Steady, practical progress is made in your life now. This is a time when you can make great strides in paying off any outstanding debts or obligations owed to others.

♃ ♃ ♃

You disregard superficial or pat answers to your questions now and you feel impelled to probe until you get to the bottom of some situation. Mysteries, unsolved riddles, and topics that people usually avoid or sweep under the rug occupy your thoughts. When speaking, you tend to be very insistent or even fanatical about your point of view, which will either utterly convince your listeners or repel them completely.

Thursday, Oct 29, 2015

♀ ♃ ♀

Your desire for love, companionship, and affection predominates at this time. A new friendship or romance could begin, or an established relationship can be revitalized and enhanced. If there is someone you have wanted to reach out to, doing so now is likely to create warm feelings between you and may be the start of something beautiful. You also need to be surrounded by beauty and harmony and your artistic inclinations are stimulated now.

♀ ✖ ♃

This is a very good time to go to the theater, an art exhibit, or social gathering. You want to see beautiful things and exchange pleasantries with others. In fact, matters of the heart are on your mind and you may want to play match-maker now.

Friday, Oct 30, 2015

♀ □ ♀

Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative, however, and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you.

Saturday, Oct 31, 2015

♃ □ ♃

You're more moody, oversensitive, or touchy than usual, and your irritability is apt to provoke discord in your immediate environment. Relations with parents, children, or other close associates are tense.

Sunday, Nov 1, 2015

☿ ♋ ☉

You make yourself perfectly clear at this time, coming across in a very direct, articulate manner. Your honesty and willingness to communicate openly impresses others. This is a good time to give a speech, present your ideas publicly, or simply express your viewpoint to the people who matter the most in your life. If you are in a profession dealing with words, ideas, or communications, this is a very positive and fruitful time for you.

Monday, Nov 2, 2015

♃ ♁ ♂

Your competitive, aggressive, and/or sexual energies are stimulated, and your temper is apt to be aroused also. Patience, especially with family members, is in short supply.

Tuesday, Nov 3, 2015

This is a time for getting a little loose and wild with friends, going dancing, or doing something out of the ordinary that is stimulating and fun. You meet interesting new people and are more open to people who are quite different from yourself. An opportunity for a romance may arise which is likely to be exciting, though short-lived.

♂ ✳ ♆

Physical thrills and excitement have a strong appeal for you now, and you want to do something new and out of the ordinary. You also have a lot of energy and quick reflexes. A vigorous game of racquetball or tennis or some other fast-moving competitive sport would be a good outlet for you now. Acting on your spontaneous impulses and following through on some of your more unusual or "crazy" desires will yield surprises, mostly positive.

Wednesday, Nov 4, 2015

☿ ♋ ♃

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

Thursday, Nov 5, 2015

☉ ♁ ♃

Tension in your home life, conflicts between work demands and personal needs, or unresolved emotional tangles are likely to arise now, necessitating adjustments and compromises on your part.

A side of you which is usually hidden or in the background is likely to emerge now, and this may be positive or negative.

Friday, Nov 6, 2015

♀ ♋ ♃

Your feelings, friends, and female relatives figure prominently in your life now. You realize how

much you appreciate and need their love and support, and you are particularly affectionate now. You may also initiate a relationship in which you take care of, support, and "baby" someone else.

Saturday, Nov 7, 2015

♀ ♃ Mc

Your personal charm and attractiveness has a positive effect on your career, reputation, or public image. People see you as a loving and lovable person and as someone who is aware of their needs and feelings, which can benefit you at this time. Others are willing to help and cooperate with your aims. Your interest in the arts or in promoting harmony and good will between people is brought out at this time.

♀ ♃ ♃

Happiness and a desire to share your good fortune and joy with others is the theme now. You are feeling generous and expansive and are inclined to give lavish gifts or buy something lovely for yourself that is costly or extravagant. A diet or budget is likely to go out the window right now. As long as you don't overextend yourself, this is a good time to indulge your feelings of kindness towards others and also to be kind and indulgent to yourself.

Sunday, Nov 8, 2015

♃ ♃ ♃

Errors in judgment, due to personal prejudices or emotion, are apt to occur. Your mood very much colors your thinking right now. You can have fruitful discussions with your close friends or family members, however.

Monday, Nov 9, 2015

♂ ♃ ♃

You feel highly competitive, hot-blooded, and impatient, which can cause friction or furiously emotional confrontations with others. Your spouse, children, or parents seem especially able to rouse your ire at this time. Unresolved feelings and issues from the past are likely to trigger emotional outbursts now.

Tuesday, Nov 10, 2015

♂ ♃ Mc

Your desire for leadership, personal recognition for your efforts, and absolute control over your own affairs is very strong now. You are very competitive in business affairs and you aggressively present your concerns and interests to colleagues and superiors. Anger over an inability to be first or to be on top is quite possible, but you won't take it lying down. You are ready to fight if necessary in order to forge ahead!

Wednesday, Nov 11, 2015

♂ ♃ ♃

This is an excellent time to begin a new business enterprise or any new venture. You have the drive and courage to make your vision a reality. You feel great physically, and your confidence and optimism are high, so whatever you attempt now is likely to succeed.

Thursday, Nov 12, 2015

♀ ♋ ♃

Emotional self-control and feelings of distance and aloneness characterize this time. You are coolly objective about your friends and loved ones and their shortcomings as friends or lovers. You are probably being a bit too critical and hard on them right now. This is also a time for belt-tightening and being very cautious about investments and expenditures. Going on a diet is favored now.

☉ ✖ ♀

Your relationships are especially affectionate and friendly at this time, and you may benefit socially or materially through an opportunity offered to you by a friend. This is a good time for parties, social gatherings, and other pleasurable activities.

☉ ♋ ♃

Communications, conversations, sending and receiving messages, and taking care of routine tasks that require mental clarity are important activities now. It is a good time to present your ideas and point of view to others, as you express your thoughts clearly, though you are not apt to listen as well. Buying, selling, or negotiating is likely to go well now.

Friday, Nov 13, 2015

♀ ♋ ♃

Your thoughts turn to love and this is a favorable time to bring out any concerns you have in your personal relationships. Agreements and cooperation can be achieved easily now. You readily discuss your personal needs and desires. Also, you are more aware of beauty and may want to rearrange your decor or buy something to beautify your surroundings.

Saturday, Nov 14, 2015

♃ ✖ ♀

There is a friendly, cooperative, harmonious tone to the interactions you have now. It is a good time for social activities and for getting in touch with friends. You avoid heavy discussions and do not want to focus on dry, practical matters. Reading light fiction, going out to see a romantic comedy, or simply sharing a pleasant time with someone you like is more in tune with your feelings now.

♃ ♋ ♃

You are alert, mentally sharp and clear, and your ability to comprehend new concepts is heightened. Also, you can verbalize and articulate your ideas very well at this time. Intellectual curiosity is also high. This is a good time to make plans and strategies or begin a course of study.

♀ ✖ ♂

Romance and flirtations are likely now. You are feeling warm, expressive, and lively. Loving feelings flow between you and the people you meet, especially those of the opposite sex. Friendships are also strengthened at this time. Also, your creativity and desire to make something beautiful is stimulated now.

Unsolved or puzzling problems and the hidden or behind the scenes aspects of a situation interest you most, and you delve and probe until you discover the truth. An interest in psychology or other peoples' secrets comes to the fore. You enjoy spy, mystery, and supernatural stories.

Monday, Nov 16, 2015

☉ ♌ ♀

You are excitable and restless today and may do something quite unexpected and out of character. Impatience with dreary routine and the desire for freedom and change may spur you to do something you normally consider adolescent or irresponsible. You are very insistent on your own "rights", needs and preferences at this time. An event that disrupts your accustomed schedule could also happen now.

Tuesday, Nov 17, 2015

♃ ♌ ♀

Your mental processes are speeded up now. You grasp new concepts very easily, but you tend to be impatient with slower minds or the usual, predictable routine. Nervous restlessness, impulsive or erratic behavior or speech, rushing, or coming to a conclusion too quickly are likely at this time.

Wednesday, Nov 18, 2015

♃ ♌ ♀

You're more moody, oversensitive, or touchy than usual, and your irritability is apt to provoke discord in your immediate environment. Relations with parents, children, or other close associates are tense.

Thursday, Nov 19, 2015

♃ ♌ ♀

This is a time to rely only on yourself and your own resources, gather in your scattered forces, and concentrate on your own work. You may meet numerous obstructions and delays so that you don't accomplish as much or work as quickly as you would like. You can, however, do a very thorough job and also tackle the kind of difficult or disagreeable tasks you usually avoid. You are prone to feel frustrated and to resent the limitations or drudgery of this time period. Perseverance and patient effort are required of you now. Try to avoid becoming discouraged or lashing out at the ones you are responsible for.

♃ ♌ ♀

It is easy for you to talk about your feelings now and also to listen sensitively to not only what others are saying but also what they are feeling. This is an excellent time to discuss your feelings and clear the air of any grievances you may be holding on to from the past. Your communication with women is especially good at this time.

♃ ♌ ♀

If there is something that you have always wanted but felt that you could not afford, then your wait is over. You will buy it now, whether you can afford it or not! The urge to splurge is irresistible now, and your desires for good things can turn into cravings under this astrological influence. If you are dieting, it

is likely that you will need to ease up a little. Of course, you should try to avoid unhealthy indulgence but asceticism is not in order either. This is a time to enjoy yourself.

You are in a fun-loving mood. Parties and other social occasions, especially of a festive nature, are likely to turn out better than expected. If there isn't a good party to go to, you may decide to throw one yourself - and be glad you did, because it will be fun.

You almost certainly will spend more money than you should, but you may also receive a bonus or gift. You have a lucky streak now that can bring you unexpected benefits - but don't use that as an excuse to throw it away at the races!

♃ ✖ Mc

Making decisions or long-range plans is favored now. Your judgment is sound. Making worthwhile professional contacts, reaching out to others who can help you in your work, and taking care of business in an orderly, clear way are also likely.

Friday, Nov 20, 2015

♃ ✖ ♃

You are optimistic, hopeful, and forward-looking at this time. You can see connections and possibilities you may have overlooked before. Contracts, negotiations, and business dealings of all kinds are favored now.

☉ Δ D

At this time you enjoy emotional satisfaction and harmony in your home life. Relationships with women run smoothly. If you have a solid emotional base in your life, you will receive the benefits of that. If not, this is a good time to begin making connections with people and also to discover what gives real emotional nourishment and fulfillment.

Saturday, Nov 21, 2015

♀ ✖ As

Light and pleasant interactions characterize this time period. You gain what you want through diplomacy or charm and by enlisting the support of your friends, rather than by being forthright and bold. You are willing to make concessions in order to maintain harmony in your environment.

☉ ✖ Mc

Your long-range goals, life direction, or career aims come into focus now. You gain clarity or a stronger sense of purpose, which energizes your efforts to get ahead or move toward what you really want.

Recognition or support from your superiors or others who are in a position to assist you is likely now, especially if you take some initiative.

♃ ✖ ♃

Long-distance communications and business dealings are successful now. For example, if you need to call a business or company for assistance, you will find that you are able to get through to a helpful person who can assist you. You are also able to communicate successfully with co-workers and colleagues regarding overall plans and goals of the business or trade that you are involved in.

This is a good time to advertise, publish, or engage in mass media communications for any purpose. Others respond with interest to your message, and you are able to reach a good understanding with others. You are able to rise above pettiness and distracting details in your communication with others, and you get to the broader philosophical issues or attitudes that are important.

The only bad feature of this astrological influence is that it is not very strong! It can be overpowered by other, more powerful, astrological influences so don't count on this one to be a panacea for other influences that are nastier.

☉ ✖ ♃

Agreements, contracts, and joining your efforts with others will work out very much to your advantage now. A friend or person in authority may offer help or present an opportunity which will benefit you now or in the future. Also, you will reap rewards later for the generosity and aid you extend to others at this time.

Sunday, Nov 22, 2015

♃ Δ ♂

You are in an eager, confident mood and this is a good time for any competitive endeavor or anything that requires a lot of energy.

Monday, Nov 23, 2015

♃ ✖ ♃

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

Tuesday, Nov 24, 2015

♃ ✖ ♂

You are capable of forceful, decisive action, and you have the will to carry through on your intentions at this time. Physically, you feel good and your energy is flowing smoothly. Also, your interactions with others are feisty and spirited. You inspire others to take action, and group efforts or joint projects are favored.

♃ ♂ ♂

Hard work and concentrated effort are the key issues for this time period. You are faced with tasks

that are tedious and difficult but which must be completed at this time. Fortunately, you have the mental concentration and stamina to tackle the tasks now but the demands are still more than you would like to cope with. This is a difficult time period, but at least your work is cut out for you. You are likely to discover flaws in your creative projects, neglected aspects of projects you are involved with, and tedious, detailed work that you have been putting off. Writers find that they need to now carefully edit and proofread their work, construction workers discover that some work has been done carelessly and must be redone, and teachers now have lots of exams to grade or other tedious work. In some way or other, you have to buckle down now. If you have had big plans to travel or expand in other ways, you may find that you need to forego these pleasant diversions and take care of immediately pressing needs. Do not try to shirk your responsibilities as you won't be able to forget about them.
