INTRODUCTION

Your Daily Forecast begins on the next page. The Forecast is self-explanatory: an astrological forecast for each day is given. You may notice that to the right of the date is a code, such as "Mer Tri Jup". This code indicates the astrological influence that is in effect on that day and is causing the astrological influence. You can ignore this code; it is printed in case you are interested in the astrological basis of the interpretation.

Most interpretations are short, about one paragraph. But occasionally an interpretation that is several paragraphs long may be printed. These longer interpretations are very strong and may affect your for several days before and after the date on which they occur.

In case you are interested in astrological theory, here is some more information on how your Daily Forecast is produced: First, all of the major astrological influences on a given day are determined, and then the most significant influence is selected and printed. For example, a conjunction will be printed if one occurs, and very often an outer transiting planet influence will be printed because these influences tend to be more powerful. By selecting the more dominant influences of the day, your Daily Forecast focuses on the most powerful influences of each day so that you pay attention to those issues which are most conspicuous and relevant to you each day.

We hope you enjoy your Daily Forecast. Remember that astrology is not fatalistic. Astrological influences are real and they are powerful (we are certain of this, although of course many skeptics disagree), but you have the free will to make the best of what life serves up to you each day. We hope that your Daily Forecast will assist you in making the best possible decisions and will help you feel more confident and clear about how to best deal with the circumstances and situations you encounter.

For the benefit of astrologers, some technical details are given below.

Mar Qucnx Plu

You are willfully resistant to any outside pressure, manipulation, or authority at this time. A fateful encounter with an adversary, one that can neither be avoided nor ignored, is indicated. You seesaw between taking forthright, direct action and using more covert, subtle methods. A desire to break down, destroy, or overthrow existing conditions is also a part of the picture. Be careful with sharp instruments or glass.

Friday, Feb 10, 2017

Mar Qucnx Ven

Ambivalence or disagreeableness in a close relationship arises now. An old friend or lover who is rather disturbing to your peace of mind may contact you, or you may feel uncertain about where you are going in a particular relationship.

You may aggravate or pick at a friend or loved one in the misguided belief that you can change things. At this point, however, it is unlikely that your words or actions will create happiness or the desired outcome. Try to be good natured about any differences that are apparent to you now, and let it pass.

Saturday, Feb 11, 2017

Ven Sqr Nep

Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative, however, and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you.

Sunday, Feb 12, 2017

Ven Oppos Mar

Relationships with the opposite sex are intensified now. You experience strong feelings of attraction and desire and, if you are unhappy in your sexual life, you can be very tense and angry "for no reason" now. You may be tempted to act on an infatuation.

Monday, Feb 13, 2017

Mer Sqr Ven

You are more distressed than usual over any dissonance in your environment or personal relationships, and you are inclined to avoid serious discussions or real disagreements with others. Also, challenging mental work and concentration is difficult for you now.

Tuesday, Feb 14, 2017

Mar Qucnx Mer

Mental demands, deadlines, or an unexpected "rush job" can generate a lot of stress right now.

Tension headaches, edgy nerves, and snappiness are definitely possible, even if there are no external pressures. You are apt to be all revved up with no place to go. Try not to put yourself in situations that you know before hand may involve a lot of waiting, or if you must, bring something along to do.

Wednesday, Feb 15, 2017

Mer Sqr Mer

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Thursday, Feb 16, 2017

Moo Sxtil Nep

Your artistic sensitivity, intuition, and imagination are stimulated. A fleeting impression or intuition is apt to be correct.

Friday, Feb 17, 2017

Ven Qucnx Plu

Fateful encounters which are not altogether pleasant are indicated. If you are in an established intimate relationship, it is apt to be rough sailing right now. Ultimatums, bringing up past pain and unresolved issues, jealousy, or unusual neediness or possessiveness may all be part of the scenario, and what makes all of this quite stressful is that most of it is not blatant but subtle and insidious. Indiscretion and poor judgment in matters of the heart need to be guarded against.

Saturday, Feb 18, 2017

Mer Sxtil Sat

Your mind is serious and you are able to concentrate on work that requires patience, attention to detail, and precision. Practical concerns dominate. It is a good time to learn practical skills, do your taxes, organize your files, and take care of business. You'll want to avoid light social conversation or trivialities that distract you from your work.

Sunday, Feb 19, 2017

Ven Qucnx Ven

Differences in styles, personal tastes, aesthetic appreciation, or values is an issue in your life at this time. You may feel unloved or not valued due to differences in the way you and a significant other express affection. In social situations, you may well feel out of place, awkward, and ill at ease; perhaps you run into an old lover or are in a social setting which is distinctly different from the one you are familiar with. You are apt to be conciliatory and gracious about making adjustments and concessions, but you feel rather uncomfortable internally.

Monday, Feb 20, 2017

Mar Trine Sat

Your concentration is excellent now and you are serious about your work. You want to focus on real

accomplishment and avoid frivolity and distractions. You may fruitfully tackle difficult, disagreeable tasks or work that usually frustrates you, for your patience and ability to do painstaking work is brought out now. Self-control and self-discipline are required of you at this time but, fortunately, they yield positive results in the long run.

Tuesday, Feb 21, 2017

Moo Conj Nep

You are compassionate, sympathetic, and highly emotional now. Also, your imagination is activated and you may be inspired by some unusual daydream or fleeting thought.

Wednesday, Feb 22, 2017

Mer Sxtil Jup

You are optimistic, hopeful, and forward-looking at this time. You can see connections and possibilities you may have overlooked before. Now is a time for communicating your enthusiasm, sharing your plans and dreams, and also being more receptive to others' thoughts and points of view. Contracts, negotiations, and business dealings of all kinds are favored now.

Thursday, Feb 23, 2017

Mer Trine Sun

You are very clear and perceptive now. It's a good time to make a decision or come to an agreement, negotiate, exchange your views with others, or present your case. If you are in a profession dealing with words, ideas, or communication, this is a very productive time for you. Ideas flow, and you express your thoughts well.

Friday, Feb 24, 2017

Sun Qucnx Mar

You are more prone to vexation and aggravation right now, especially in traffic or in some area of your life that you are trying to get ahead in. Accidents due to trying to force a situation, ignoring safety precautions, hurrying, or anger need to be guarded against. You are apt to feel that you have no outlets or means of expressing your anger or aggressive impulses, and right now that is probably true. Standing your ground and insisting upon your rights or your position only leads to unnecessary friction and bad blood, with no clear winner or loser emerging. Either transcending or letting go of your frustration is really the only way out at this time.

Saturday, Feb 25, 2017

Moo Trine Sun

Positive feelings and inner harmony engender smooth and comfortable relations with others at this time. Your intuition or gut feelings are apt to be right on the mark.

Sunday, Feb 26, 2017

Moo Trine Mer

Memories, thoughts, and conversations about the past and personal, intimate discussions are featured. This is a good time to reach out to family members and get (or keep) a flow of communication

going.

Monday, Feb 27, 2017

Sun Trine Plu

This is an excellent time to eliminate whatever is unnecessary and outworn in your life from clutter and disorder in your environment to an unhealthy relationship or even a long-held attitude or belief which keeps you from going after what you really want in life.

You are also more perceptive than usual. You see other people's true colors more clearly and you may discover a secret or the hidden aspect of some situation.

Something lost, hidden, or forgotten may come to light.

Tuesday, Feb 28, 2017

Sun Trine Ven

Giving and receiving appreciation, love, and happiness come into your life now. You are moved to express your affections more openly than usual. You also want to be surrounded with beauty and harmonious people, and your artistic efforts flourish.

Wednesday, Mar 1, 2017

Mar Trine Ura

Increased physical courage and a strong sense of adventure combine to make this a very interesting time. You need to do something innovative, daring, unusual, liberating, exciting, and challenging. You are inclined to act on some of the wilder impulses and desires you feel from time to time. You crave stimulation. If you have an inventive streak, you could make a startling discovery or breakthrough now.

Thursday, Mar 2, 2017

Mar Conj Jup

This is an excellent time to begin a new business enterprise or any new venture. You have the drive and courage to make your vision a reality. You feel great physically, and your confidence and optimism are high, so whatever you attempt now is likely to succeed.

Friday, Mar 3, 2017

Mar Oppos Sun

Intense competition or conflict is quite likely at this time. You feel you must fight or stand up for your rights in the face of some person or situation that opposes you. You may actually seek out a battle in order to test your own powers. Beware of acting so abruptly or aggressively that you bring harm to yourself or other people.

Saturday, Mar 4, 2017

Moo Trine Mar

You are in an eager, confident mood and this is a good time for any competitive endeavor or anything that requires a lot of energy.

Sunday, Mar 5, 2017

Mer Trine Mer

Conversations and sharing plans and ideas with others are very fruitful now. You understand what others are telling you, and you make yourself clearly understood also. This is a favorable time for getting your message across to others via writing, speaking, or advertising.

Monday, Mar 6, 2017

Moo Oppos Ura

A sudden, unexpected encounter may catch you off guard. You're also apt to throw routine to the wind and do something quite out of character for you.

Tuesday, Mar 7, 2017

Mer Sqr Sat

Your thinking is rather gloomy and pessimistic at this time. You see the superficiality, the flaws, and the foolishness or impracticality in others' plans. Also, communicating with others is difficult now, and people resist what you are saying. You feel more inhibited and uncommunicative, and you sense that others are not receptive. Frustrating conversations and the feeling that you are coming across negatively are possible now, so you are inclined simply to keep your thoughts to yourself.

Wednesday, Mar 8, 2017

Moo Sqr Sun

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Thursday, Mar 9, 2017

Moo Sqr Mer

Errors in judgment, due to personal prejudices or emotion, are apt to occur. Your mood very much colors your thinking right now. You can have fruitful discussions with your close friends or family members, however.

Friday, Mar 10, 2017

Mer Sqr Ura

Flexibility, thinking on your feet, and the ability to accommodate the unexpected will be called for now. The pace is very quick. You will be pulled in many directions at once and will tend to scatter your forces, jumping from one thing to the next. Positively, you may come up with some fresh, original plan or insight that may seem crazy at first, but which is likely to be quite useful.

Saturday, Mar 11, 2017

Mer Qucnx Sun

An incident involving miscommunications, missed messages, or missed meetings which causes a change of plans is likely. Co-workers, secretaries, receptionists, and other people you may normally

take for granted, but who keep the flow of your life running smoothly, may be unaccountably inconsistent or simply keep you at bay. You may also get a bit of news that you will wish you hadn't. Try to take these minor annoyances and irritations in stride.

Sunday, Mar 12, 2017

Mer Sesqu Mer

Intellectual disagreements or differences of opinion and viewpoints arise now. You may have to speak your mind in a way that challenges or unnerves someone else. However, your mind is very active and sharp, and your reasoning power is good, so this is a good time to do mental work.

Monday, Mar 13, 2017

Mar Sesqu Sat

This is likely to be a time of considerable frustration and discouragement for you. You are unusually sensitive to criticism of your efforts and to the limitations and restraints that your responsibilities entail. Fighting with authority figures or lashing out at others who restrict you in any way is a strong possibility. A sense of struggle or of being overwhelmed by obstacles and blockages is likely to characterize this period. Be patient and don't demand too much of yourself at this time. Work quietly and steadily and rely only on your own resources.

Tuesday, Mar 14, 2017

Sun Sqr Ura

Your usual routine is likely to be disrupted now, either by "freak" accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events and breaking free of confining situations and relationships are very likely.

Wednesday, Mar 15, 2017

Sun Qucnx Sun

At this time you may feel out of your element or out of sync with yourself or your surroundings. Interference from others requires adjustment and perhaps sacrifice on your part. What you have to offer or want to do doesn't mesh well with what seems to be necessary. While not a full blown crisis, it is a time of strain and tension, which can be somewhat debilitating to your health. A partial retreat in order not to deplete yourself and your strength is beneficial right now. You may be upstaged by other people or events which occur now.

Thursday, Mar 16, 2017

Mer Sqr Nep

Mental clarity, discrimination, and your ability to separate fact from fiction is diminished now. Miscommunications and an inability to formulate your ideas coherently are likely. Your mind wanders, and this can be a time of creative reverie or daydreaming. Avoid making binding contracts at this time.

Friday, Mar 17, 2017

Mer Oppos Mar

You are very impulsive and restless now and you are likely to act or speak too quickly without sufficient forethought or concern for the consequences. You tend to be verbally aggressive, starting fights with people who don't agree with you or who simply get in your way. Positively, you are very sharp and clear mentally at this time and can attack problems and tasks with great vigor.

Saturday, Mar 18, 2017

Ven Qucnx Plu

Fateful encounters which are not altogether pleasant are indicated. If you are in an established intimate relationship, it is apt to be rough sailing right now. Ultimatums, bringing up past pain and unresolved issues, jealousy, or unusual neediness or possessiveness may all be part of the scenario, and what makes all of this quite stressful is that most of it is not blatant but subtle and insidious. Indiscretion and poor judgment in matters of the heart need to be guarded against.

Sunday, Mar 19, 2017

Mar Qucnx Mar

A sudden accident, trauma, violent outburst, or fever are possibilities now. If you have been withholding any animosity, not taking what you need for yourself, or been in any sort of ongoing battle with another, the stress is likely to become unbearable. You also tend to force yourself unmercifully now, which will backfire. You might sustain injuries in a competitive situation or "burn out".

Monday, Mar 20, 2017

Mer Qucnx Mer

Expect last minute changes and adjustments, poor timing, or an annoying glitch in anything involving papers, contracts, appointments and meetings, or previously scheduled engagements.

You may have to reword a proposal or in some other way adjust your thinking or way of communicating in order to come to an agreement. Nervous irritation and/or mental exhaustion could result.

Tuesday, Mar 21, 2017

Moo Conj Nep

You are compassionate, sympathetic, and highly emotional now. Also, your imagination is activated and you may be inspired by some unusual daydream or fleeting thought.

Wednesday, Mar 22, 2017

Mar Oppos Plu

Your personal ambitions and drive to assert yourself and make an impact on the world meet with considerable opposition now. Other people or external forces over which you have no control seem to subtly undermine your efforts - or try to overpower you altogether. You need to stand up for yourself, perhaps in a David-and-Goliath type of situation. If you have been unscrupulous or overly egotistical

and selfish in your pursuits, you are likely to get your comeuppance now.

Thursday, Mar 23, 2017

Mar Oppos Ven

You are powerfully attracted, emotionally and sexually, to someone you encounter at this time, and any romantic involvements you currently have are intensified. Expect fireworks! Also, your relationships can become tempestuous, especially if your partner is not as responsive or amorous as you would like.

Friday, Mar 24, 2017

Ven Sqr Nep

Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active and creative, however, and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you.

Saturday, Mar 25, 2017

Sun Sqr Nep

Confusion, inability to focus on mundane tasks, poor understanding or miscommunication between yourself and others, and the desire to evade real responsibilities and challenges are negative potentials for you now. You are more sensitive, impressionable, dreamy, or idealistic at this time also.

Sunday, Mar 26, 2017

Sun Oppos Mar

You are contentious, argumentative, and impatient now. Disagreements erupt because you aren't willing to overlook minor irritations as readily as usual. Confrontations with others may be fruitful if you don't allow your anger to get out of control. You are highly competitive at this time.

Monday, Mar 27, 2017

Mer Conj Jup

This is a time for making long-range plans, seeing the big picture, and thinking about what is really important to you in the long run. The trivial details and business of day-to-day living does not dominate your attention now. Reading books or articles of an inspirational nature or on subjects of personal growth and development is very fruitful now. This is also an excellent time for business functions, negotiations, and communicating with the world at large.

Tuesday, Mar 28, 2017

Mar Oppos Mer

You are inclined to jump to conclusions at this time and to rashly say and do things which you may regret later. You may suddenly decide to act on some idea or plan you have been considering, which can be good as long as you don't move so abruptly and quickly that you override other people's say in the matter. At this time, too, you are quite sharp and possibly sarcastic, which can create unnecessary

hard feelings or opposition to your plans.

Wednesday, Mar 29, 2017

Sun Qucnx Plu

Past mistakes, infringements, or secrets come back to haunt you now, but you may feel that your hands are tied in any attempt to rectify these matters. Areas or relationships in which you have misused authority and control cause distress at this time. While direct action to resolve or balance these problems may not be possible, you must be aware of what is going on, lest an unconscious collusion on your part contributes to the situation. Avoid either the victim's or the tyrant's role.

Thursday, Mar 30, 2017

Ura Trine Ura

This astrological influence occurs twice in a lifetime, at age 25 - 31 and again at age 54 - 59. During this time period, changes occur in your life that provide you greater freedom and self-expression. You are exposed to new ideas and new environments that offer alternatives to your accustomed beliefs and habits. For example, you grow into a new social circle of friends and acquaintances that is more progressive than the people you usually associate with. You may accept a new job or shift into a new line of work that provides you greater freedom or creative outlets. In various ways, this is a time period of venturing into new territories and leaving the old terrain behind you. Because these changes are relatively smooth and gradual, you may not realize how significant they are.

Friday, Mar 31, 2017

Moo Qucnx Sun

A minor emotional disequilibrium or feeling of being off-center is apt to disrupt your day. You are in a bit of a funk which, fortunately, is apt to be short-lived. However, major decisions or appointments are best postponed until you are feeling more balanced.

Saturday, Apr 1, 2017

Moo Oppos Sat

This is a good time for solitude, quiet, or contemplative activities and rest. Your spirits may be temporarily depressed, so take some time for yourself. Others may criticize you or show little emotional warmth at this time.

Sunday, Apr 2, 2017

Sun Qucnx Mer

Communications are delayed or interfered with now. Somehow, the message you intended and the one that was received or perceived are not quite the same. There is quite a bit of static on the line, metaphorically and quite possibly literally as well. You also find that the way others talk or try to convey their ideas is grating and just goes against your grain. Try not to let their minor irritations get blown out of proportion. Most likely it is style rather than substantive disagreements which cause tension now.

Monday, Apr 3, 2017

Mar Qucnx Sat

You seesaw between caution and impatience, which generates a great deal of stress and inner anguish. You may blame your feelings of oppression and barely contained hostility on an unjust situation, a corrupt society, or your childhood conditioning (any or all of which may be valid) but it is your choices and your own internal struggles which are the real issue at present. If you are feeling drained and discouraged at the end of the day, see how you can readjust your attitude. Right now, trying to do battle with the outside world will be like banging your head against a brick wall!

Tuesday, Apr 4, 2017

Nep Trine Mer

Your intuition is very sharp at this time. Your psychological insight is excellent, and you can better understand what motivates others and what their needs are. You may also read books or attend workshops that greatly add to your understanding of people.

Your increased sensitivity also extends to the arts and philosophical areas as well. Your ability to write and speak with feeling and sensitivity is greatly increased. You are now able to find the right words that capture a subtle feeling that is normally very difficult to convey. Your imagination is also stirred and you can compose imaginative and original works in whatever artistic medium you choose.

This is also a time when your overall understanding of life is elevated. You are less anxious, worried, and concerned with mundane affairs and problems in your personal life and better able to put them into perspective. You may attend a lecture, read a book, or talk to another person that inspires your innate understanding of philosophical, spiritual, and religious values and truths. This is a good time to build habits in your life that will sustain the increased sensitivity and understanding that you now have. Take advantage of opportunities that come to you to expand your intuitive and imaginative mental faculties. Many opportunities come to you during this time period, but you may foolishly refuse to accept them.

Wednesday, Apr 5, 2017

Moo Sqr Mer

Errors in judgment, due to personal prejudices or emotion, are apt to occur. Your mood very much colors your thinking right now. You can have fruitful discussions with your close friends or family members, however.

Thursday, Apr 6, 2017

Sun Trine Sat

Today it is easy for you to concentrate on your work, to eliminate what is superfluous or distracting you from what you really need to do. You have the self-control and discipline to apply yourself to tasks that you may have been avoiding. You want to put your affairs in order and have a greater tolerance for tedium than usual. This is a good time to tackle mundane chores and practical business.

Friday, Apr 7, 2017

Mar Sesqu Nep

This can be a very depleting and confusing time when you do not know exactly what you want or you do not feel strong, capable, or effective. Physically, you need to be gentle with yourself and take care not to dissipate your energy reserves. Your imagination can run wild now, and you want to act out a fantasy or strange desire - something you normally would have the good sense not to attempt. However, if you are an artist, this is a very inspired, fertile time for you.

Saturday, Apr 8, 2017

Ven Sesqu Mer

Your thoughts turn to love and this is a favorable time to bring out any concerns you have in your personal relationships. Agreements and cooperation can be achieved easily now. You readily discuss your personal needs and desires. Also, you are more aware of beauty and may want to rearrange your decor or buy something to beautify your surroundings.

Sunday, Apr 9, 2017

Mar Sesqu Mar

At this time you must guard against being too aggressive, coming on too strong, or trying to force your own will and thereby arousing hostility in others. Also, frustrated desires and obstacles to achieving your aims can evoke enormous anger in you, and you may do something rash and regrettable. Conflicts and confrontations may be unavoidable, but do try to avoid situations which you know will provoke or irritate you. Working alone is best at this time.

Monday, Apr 10, 2017

Moo Conj Mar

Your sexual and aggressive energies are stimulated, and you take the initiative. Emotional outbursts and impatience are also likely. You're in a combative, energetic mood.

Tuesday, Apr 11, 2017

Moo Conj Sun

Your vitality and personal impact on others is higher now and you're likely to draw attention to yourself without trying or to receive some special recognition. Relations with others flow smoothly.

Wednesday, Apr 12, 2017

Mar Qucnx Ura

You act very impulsively and may do something spontaneously that really upsets the status quo in your life. Daring and reckless, you act with fierce independence. All manner of accidents could result from this rash foolishness. You are apt to feel tense, "wired", cross, or out of control. You might wish to avoid traveling at this time.

Thursday, Apr 13, 2017

Sun Trine Ura

You have a low tolerance for boredom and following rules today and you make some creative changes and discoveries, experiment with new possibilities, or invent a new way of doing things.

You don't want to follow anybody else's lead at this time, but fortunately you are able find ways to be yourself and even be a little "crazy" without offending or upsetting others. This is a dynamic and exciting period. Take advantage of any unusual offers or opportunities.

Friday, Apr 14, 2017

Sun Conj Jup

You feel expansive, enthusiastic, and optimistic now. You want to reach out, do more and experience more. You benefit greatly from the opportunities that present themselves at this time, and a person who will be very influential and helpful to you may come into your life.

Saturday, Apr 15, 2017

Jup Sxtil Sat

Cooperation and successful collaboration in the business and professional world are highlighted now. Legal matters and governmental matters of all kinds run very smoothly now. If you are involved in any legal disputes or involvements with government agencies, this is a time when a successful resolution can be reached. This is a good time to bring about increased harmony and cooperation in any organization, club, or business of which you are a part.

Sunday, Apr 16, 2017

Moo Conj Ura

Restlessness, nervous haste, and rashness can be something of a problem, for you act on impulse and may be out of sync with your environment.

Monday, Apr 17, 2017

Ura Conj Jup

You are wildly optimistic and enthusiastic now! Your luck is very good too, and this further stimulates your optimism. Life seems less restrictive and limiting. Promotions, advancement, bonuses, and travel are likely during this time period. Pressures decrease; for example, important deadlines are easily met, pushed back, or canceled. You are less worried, anxious, and concerned than usual.

However, this surge of optimism, high spirits, and fortuitous circumstances does not guarantee that all of your ventures will turn out well. In fact, it is likely that you will overestimate the growth potential of the ventures that you consider at this time. You are inclined to gamble and speculate, overlooking many of the hard facts and realistic obstacles. This is an excellent time to explore new possibilities and expand your horizons. It can also be a good time to start new ventures as long as you haven't let your optimism and high spirits cloud your awareness of the practical obstacles and details at hand as well.

You are likely to spend a lot of money during this time period. You are in the mood for celebrating and it is hard for you to control yourself. There is the possibility of being driven by materialistic and egotistic desires that cause you to indulge in extravagances that you later regret. On the other hand, if you are normally very reserved, conscientious, and "tight" about spending money, then this astrological influence may loosen you up a little more, inclining you to purchase items of high quality that you will enjoy for many years to come.

Tuesday, Apr 18, 2017

Moo Sxtil Mer

Communicating with neighbors, friends, and family is accentuated. This is a good time to establish friendly relations at work also. Gossip and trivial conversation are temptations now.

Wednesday, Apr 19, 2017

Moo Sqr Sun

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Thursday, Apr 20, 2017

Moo Sqr Mer

Errors in judgment, due to personal prejudices or emotion, are apt to occur. Your mood very much colors your thinking right now. You can have fruitful discussions with your close friends or family members, however.

Friday, Apr 21, 2017

Moo Trine Sun

Positive feelings and inner harmony engender smooth and comfortable relations with others at this time. Your intuition or gut feelings are apt to be right on the mark.

Saturday, Apr 22, 2017

Ura Oppos Sun

Freedom, rebellion, and resistance to authority are the key issues for this time period. You urgently want greater freedom from responsibilities in your personal life now. You may be tempted to gamble on a get-rich-quick scheme so that you won't have so many financial obligations. If you have worked for many years for a company that provides a retirement plan, you may decide to retire now. You may start up your own business so you can make your own hours. In one way or another, you are tired of years of obligations and restrictions and you feel that now is the time to fully enjoy the fulfillment of a more independent life style.

This is certainly the time to build greater freedom and independence into your life, but whether a radical break from your current involvements will succeed or not is difficult to say. If you gamble in a

risky manner, you will probably lose. Also, you may be tempted to drop some of your commitments; this will eventually prove to be an unwise decision. You certainly must break free now, but you can do it in a way that will not leave others who depend on you hanging, wondering where you are. On the other hand, if you are generally a cautious or timid person, you may find all kinds of reasons why you shouldn't loosen up and break free now. Stop the excuses and enjoy a little more freedom. Only you can decide what is an act of irresponsibility and what is a truly liberating step forward; you must be able to distinguish the difference.

If you are married or involved in a love relationship, you are likely to see traits in your mate that hamper your style and make you feel uncomfortable. The reverse may also occur; your mate feels that you restrict his/her life. This problem also arises between parents and children, typically with the children demanding much more freedom than before, and parents feeling that their children make too many demands on them. If such problems arise, then the people involved need to find ways to express themselves more freely and spontaneously, but remember that you can selfishly ignore the needs of others now and expect them to instantly adapt to your sudden and capricious changes of attitude. Do not run roughshod over the needs of others!

Moo Sqr Sat

Duties and obligations seem burdensome or at least emotionally restricting to you, and you may feel self-pity or temporarily down in the dumps. You are not in a sociable, gregarious mood no matter what surroundings you find yourself in.

Moo Oppos Mar

Blowups in the domestic sphere are likely, as you aren't feeling very patient or conciliatory. Passionate feelings of all kinds are aroused.

At this time you really enjoy art, theater, music, and your own inner world of fantasy. Your imagination is vivid. If you have an interest in spiritual matters, these interests come to the fore now also. The inability to be decisive and a lack of energy or drive is a negative possibility. You can be quite lazy now.

You are more prone to vexation and aggravation right now, especially in traffic or in some area of your life that you are trying to get ahead in. Accidents due to trying to force a situation, ignoring safety precautions, hurrying, or anger need to be guarded against. You are apt to feel that you have no outlets or means of expressing your anger or aggressive impulses, and right now that is probably true. Standing your ground and insisting upon your rights or your position only leads to unnecessary friction and bad

blood, with no clear winner or loser emerging. Either transcending or letting go of your frustration is really the only way out at this time.

A minor emotional disequilibrium or feeling of being off-center is apt to disrupt your day. You are in a bit of a funk which, fortunately, is apt to be short-lived. However, major decisions or appointments are best postponed until you are feeling more balanced.

Sun Sesqu Ura

Your usual routine is likely to be disrupted now, either by "freak" accidents beyond your control or by your own impatience with the status quo. Sudden unexpected events and breaking free of confining situations and relationships are very likely.

A short trip, or at least a lot of activity and movement, is very likely now. A significant conversation, learning from another person, and getting your own ideas and perceptions across to others is also likely. You may hear from someone who has important information for you or feel a pressing need to write or call someone else in order to bring some matter in the open. Communications of all kinds play an important role in your life now.

This is a time for making long-range plans, seeing the big picture, and thinking about what is really important to you in the long run. The trivial details and business of day-to-day living does not dominate your attention now. Reading books or articles of an inspirational nature or on subjects of personal growth and development is very fruitful now. This is also an excellent time for business functions, negotiations, and communicating with the world at large.

You are motivated to work at resolving any ongoing problems you may be dealing with, but you're apt to be rather irritable and edgy now also. You can't seem to ignore problems or just let them pass. Family relations are rather tense.

Right now you feel a need for sweetness - perhaps in the form of emotional and physical affection, or even of food. You are apt to be pleasantly self-indulgent.

Conversations, negotiations, meetings, responding to letters and phone calls, and communications of all kinds are important activities now. A significant discussion or exchange of information is likely. This is a good time to get the views of someone you respect.

Mar Qucnx Plu

You are willfully resistant to any outside pressure, manipulation, or authority at this time. A fateful encounter with an adversary, one that can neither be avoided nor ignored, is indicated. You seesaw between taking forthright, direct action and using more covert, subtle methods. A desire to break down, destroy, or overthrow existing conditions is also a part of the picture. Be careful with sharp instruments or glass.

Mar Sesqu Sun

You are inclined to be aggressive and hot-tempered now, particularly when your will is blocked. Your pushiness or competitive attitude is likely to create antagonism, hostility, and further resistance to your efforts. It is best to work alone rather than try to cooperate or coordinate your efforts with anyone at this time. Also, you are impatient and tend to behave in an impulsive, irritable way which makes you more prone to accidents during this period.

Dreams, wishes, and fantasies about love are strong now, and you may be infatuated with someone you meet at this time, only to be disappointed later when you discover this person does not fulfill all of your expectations. You are simply not seeing people objectively now. Your imagination is very active

and creative, however, and so is your yearning for something beautiful. The artist in you emerges, and your creations please and inspire you.

Relationships with the opposite sex are intensified now. You experience strong feelings of attraction and desire and, if you are unhappy in your sexual life, you can be very tense and angry "for no reason" now. You may be tempted to act on an infatuation.
