Missing Number(s) are : 1 8

First letter is C

First vowel is I

Your Soul Number is SEVEN.

Deep, serious, introspective, and analytical, you accept nothing at face value, and you are always probing into the hidden side or deeper meaning of situations and people. You are fascinated by the mysterious and unknown. You enjoy periods of solitude in peaceful surroundings, and need time to study, reflect, or meditate. You may be given to much daydreaming and flights of the imagination as well. The ocean has a powerful attraction for you. The study of philosophy, psychology, scientific research, metaphysics, or religion appeals to you. You are scientific in your approach to Truth.

Private, reserved, and rather secretive, there are probably very few who truly know and understand your inner thoughts, feelings, hopes, and aspirations. Unless you learn to share your deeper self more freely, and to be less of an idealistic perfectionist, you may be rather lonely.

Your Personality Number is TWO.

You have a pleasing and agreeable appearance that is inviting, approachable, and attractive to others.

You often wait for a cue from someone else before you let your own preferences be known, and you are amenable to changing your own ideas, or tastes, if it will please or maintain harmony with your companions. You support and complement whomever you are with, and do not feel you need to be in the spotlight.

You enjoy conversation, friendly companionship, and a peaceful environment. You try to avoid discord as much as possible, and due to your graciousness and gentle manner, you usually succeed.

You seem shy, indecisive, or lacking in confidence at times, for you rarely make bold, definite statements either in words or dress.

You are very concerned with how others see you and are careful about your appearance. Your taste in clothing is somewhat subdued, though neat and balanced. You wear light or neutral colors best.

Your Destiny Number is NINE.

Your concerns are broad, your sympathy is all-embracing, and your path lies in LIVING your ideals of universal brotherhood through compassionate service.

Tender-hearted and generous, you are easily swayed by emotion and by people in need. You need to learn discrimination, who you can really help and who will only drain you. Your interests are so wide, it may be difficult for you to focus and concentrate your attention on developing a single one. Try to discover where your talents lie (as shown by the other numbers in your name and birth date) and develop them as fully as you can, for the benefit of all.

Working as a counselor, teacher, minister, in public or civic work, or in any area that involves making bridges between people and bringing them together would be appropriate for you. Music or the arts also suits you.

Much of the work you do will be subtle, inner, and spiritual: encouraging people to love, accept, and forgive themselves, bringing hope and being an ambassador of good will wherever you go.

Your Career Number is SIX.

You are suited to activities that call for harmonizing, adjusting, giving advice or counseling, helping people, serving, nurturing, the cultivation of beauty, a sense of harmony, artistic creativity.

Careers and Vocations: Homemaking, kindergarten or elementary school teacher, guidance counselor, doctor, nurse, marriage and family counselor, volunteer work, community service, director of boy scouts or girl scouts, governess, professional hostess, interior decorating, artist, craftsperson, instructor, social worker, social services director, waiter, waitress, singer, musician, promoter of the arts and social welfare, manager of restaurant or cafe.

Your Missing Number(s) are:

ONE: You lack courage, forcefulness, decisiveness, and a strong sense of self. You need to build up your confidence in yourself, assert yourself more boldly, and rely more on your own wisdom and approval rather than always looking to others for direction and answers. Try to discover your unique talents, what you do best, and develop them.

EIGHT: You lack business sense and may have little interest or ambition for material achievements and success. You can be very impractical and naive about finances, investments, legal procedures, and the ways of the world, thereby making foolish decisions. Try to develop an interest and an education in these matters to prevent regrettable and costly mistakes of judgment in your finances. You need to learn to manage time and resources more efficiently.

You disdain commercialism and don't understand its value. Therefore you are unlikely to be able to sell either products or ideas to others, which in turn may prevent you from sharing your creative efforts with a wide audience.

Your First Vowel is I.

Your instinctive response to any situation is INTUITIVE DISCRIMINATION. You act according to your intuitive sense of a situation, and may seem entirely illogical and impervious to rational argument. You are sensitive and intelligent, with the ability to perceive and understand subtleties and complex issues.

You are sympathetic, idealistic, and have a strong humanitarian impulse. You can be overly subjective, overly sensitive and emotional. You avoid confrontation as much as possible, and are sensitive to criticism and rejection.

You are also inspired intellectually or artistically and require a supportive atmosphere in which to develop these gifts.

Your First Initial is C.

Friendly, gregarious, sociable, and communicative, you bring a cheerful attitude and a light touch to whatever you do. You are gifted with the ability to express yourself clearly, openly and easily, and you love to exchange ideas and impressions with others. You could be an excellent teacher or salesperson; negatively, your "gift for gab" could make you a tattle-tale and a gossip. It is hard for you to keep things to yourself!

You have numerous interests and tend to scatter your energy and attention into too many directions at once. You may need to overcome carelessness and learn to use your time and energy efficiently. You have a gift for creative self-expression and speaking, singing, writing, or the performing arts are your cup of tea.
