Technical Details of how the planetary patterns are determined: Each interpretation is based on a 3-planet pattern. The 3 planets are forming a midpoint structure where a planet forms one of the following aspects to the midpoint of 2 other planets: conjunct or opposition with 2 degree orb, square with 1 1/2 degree orb, semisquare or sesquiquadrate with a 1 degree orb, or 1/16, 3/16, 5/16, or 7/16 with a 30 minute orb. Also, the 3 planets are aspected to each other in the same harmonic. The harmonics analyzed are 1 through 64 and any doubling of these numbers, such as 120 which is a double of 60, up to 180. The total number of harmonics analyzed is 108. In the harmonic chart all 3 aspects are within a 12 degree orb. Also, any midpoint structure involving a conjunction or opposition aspect within a 1 1/2 degree orb, even if a harmonic triangle is not involved, is interpreted.

Given below is a brief interpretation of your birth chart. The major themes in your life are described. The themes are presented approximately in the order in which they are a priority in your life. In other words, the themes which are most important are, in general, described near the beginning of the report, and the less important themes are described towards the end of the report.

Each astrological influence described in this report is a resource available to you. It is up to you to express these energy patterns in the best possible way. It is possible to repress, block, or try to avoid issues, or to fight yourself; hopefully this report will help clarify issues in your life, and encourage you to master your life rather than be a victim of circumstances.

Mercury Conjunct Saturn/Uranus 0 deg 13 min

You enjoy solving difficult problems. You can analyze a problem from different points of view, and you are very good at abstract reasoning. It is good for you to apply yourself to complex subjects because you quickly become bored with simple problems. For example, in the area of music, you may find that some forms of classical music appeal to you because the intricacy and sophisticated musical concepts appeal to you.

Neptune Conjunct Mercury/Saturn 0 deg 11 min

You enjoy abstract thinking. Abstract principles are common in academic studies, whether it be the concept of a point or a line in mathematics, the Chinese philosophy of 5 elements, various psychological theories of theorists such as Freud, Jung, etc., or any number of other ideas. You are well-suited to academic studies.

Neptune Conjunct Sun/Venus 0 deg 23 min

Art is very important to you. You succeed in any area that involves imaginative art and creativity. You are idealistic in love, and this is likely to bring you disappointments, but your idealism and vision can eventually succeed in bringing yourself and others a more beautiful and perfect world.

Mercury Conjunct Uranus/Neptune 0 deg 51 min

You have a vivid imagination and a sensitive nervous system. Unusual art and music, and perhaps even mystical subjects appeal to you. Because you are so sensitive, you should avoid drugs, alcohol, stimulants or other influences that make you unbalanced.

Uranus Opposition Moon/Jupiter 0 deg 56 min

You have a wonderful sense of humor and a spontaneity and enthusiasm that others enjoy and appreciate. You can succeed in any area where these traits are rewarded, such as music, dance, any form of entertainment, or as a group leader or director.

Jupiter Opposition Mercury/Uranus 0 deg 56 min

You have a creative and inventive mind, and you are very progressive and forward-looking. You work best in an environment that gives you lots of room to explore and be creative. Your ability to visualize new solutions inclines you to be optimistic and successful in your chosen field.

Sun Conjunct Mars/Saturn 1 deg 25 min

You are a dedicated and responsible worker. If an area interests you, then you will put in long hours and do whatever it takes to achieve the goal. Any great achievement requires the hard work and sacrifice of people; you are one of those people that makes this achievement possible, even though you may not

receive the credit you deserve.

Moon Opposition Sun/Saturn 1 deg 01 min

You like to isolate yourself sometimes, and often you feel uncomfortable in a large group of people. Work or activities that demand quiet and solitude suit you well, but be careful not to avoid people at inappropriate times, and be careful to make sure that friends, loved ones, and even acquaintances, do not feel that you are avoiding them or are cold to them.

Saturn Conjunct Sun/Venus 1 deg 44 min

You are serious and loyal in love relationships. You are not inclined to date a lot of different people; you seek a meaningful and deep relationship. You dislike ostentatiousness, pretentiousness, and glamour.

Sun-Venus-Mars 116th Harmonic (116=29x4)

You are creative, and you succeed in areas that allow you to make something beautiful, attractive, or entertaining. You are also romantic, and your happiness in romantic relationships is a big determinant of your overall happiness.

Sun-Saturn-Pluto 82nd Harmonic (82=41x2)

It is likely that in early adulthood you departed from some of the traditional career options available to you, and you chose a lifestyle and path of your own. You frequently forego opportunities for material advancement in favor of a life that is meaningful and personally rewarding. You demand a great deal from yourself and are not easily satisfied with your accomplishments. Do not take your accomplishments for granted; it is likely you have made more progress than you give yourself credit for.

Moon-Mars-Jupiter 88th Harmonic (88=11x8)

You have creative talents that you may take for granted. You are a good team player and you can be a good leader. You know how to motivate others and get the job done. Your positive, constructive attitude helps bring you success in life.

Mercury-Venus-Mars 94th Harmonic (94=47x2)

You have excellent aptitude for understanding the arts, and you are talented in artistic areas as well. You enjoy making things that are beautiful, and you succeed in areas that require an aesthetic sense as well as technical ability. You also have some talent for psychology, and you could be good as a marriage counselor, for example.
